Interessante RacheVon Anna D.Als Brandi von ihrem Freund einen Anruf erhlt in dem er ihr von seiner Hochzeit berichtet, nachdem sie extra seinetwegen nach Chicago gezogen ist, und seinen Ring zurck verlangt will Brandi Rache. Sie verkauft den Ring, kauft sich davon ein fantastisches Outfit und zieht los um sich einen Liebhaber fr eine Nacht zu suchen. So trifft sie auf Roberto Bartolini. Noch ahnt Brandi nicht, dass dieser ihr Klient und berchtiger Diamanten Dieb ist. Durch den Kontakt mit Roberto wird Brandi immer tiefer hineingezogen in seine Welt und seine Angelegenheiten.Ein amsantest Lesevergnngen, dass ich nur schwer aus der Hand legen konnte. Gut fr einen langweiligen Nachmittag geeignet.Allerdings fand ich es etwas schade, dass das Buch nur eher mittelmig ausgefallen ist. Man htte aus dem Stoff mehr machen knnen. Nachdem ich 'Tongue in chic' zuerst gelesen hatte, hatte ich mehr erwartet. Alles in allem aber doch ein gutes Buch.

KurzbeschreibungNew York Times bestselling author Christina Dodd delivers her unique brand of romantic suspense in this smoldering tale of a man who's not what he seems and a woman who's all trouble...Brandi Michaels moved to Chicago to be with her fianc--only to discover he'd hopped a flight to Vegas to marry his new girlfriend. So she pawns her engagement ring, buys herself a ridiculously expensive pair of shoes, and spends one sultry night in the arms of a gorgeous Italian stranger named Roberto Bartolini, convinced she's found the perfect revenge...But when Brandi returns home, she's shocked to discover that her apartment's been ransacked and she's the mark for a killer. Finding herself entangled in a web of danger, Brandi has no choice but to turn to Roberto--a man who's destined to be either her savior or her downfall. But one thing's for sure: she's not going down without a fight...Fans of Nora Roberts and Jayne Ann Krentz will enjoy TROUBLE IN HIGH HEELS!From Publishers WeeklyDespite a cover featuring a modern pair of designer heels, this far-fetched romantic intrigue feels like a Regency awkwardly dressed in contemporary clothes. You have your arrogant rake, playboy Italian count and indicted jewel thief Roberto Bartolini; the woman who can tame him, his gorgeous attorney Brandi Michaels; and a gaggle of high-society supporting characters among the Chicago elite. Throw in a steamy, melodramatic early encounter between Roberto and Brandi, a world-renowned diamond called the Romanov Blaze, a Chicago crime ring and a silly court ruling that places Roberto in Brandi's custody, and you have a romance with an identity crisis. There are moments of suspense and flashes of sensuality (buried beneath groaners like "I only want to take you to the brink of pleasurable insanity"), but the story doesn't hang together. The protagonists rarely transcend their stock roles, and the chaotic plot is oddly predictable. Dodd, who cut her teeth on historicals, has penned memorable contemporaries (see *Close to You*), but this tale is much like cubic zirconiasparkle and flash but little else. (Aug.) After learning her fiance ad dumped her to marry his pregnant girlfriend, Brandi--who had just moved to Chicago to start her new law career-- pawns her engagement ring and uses the money to buy a gorgeous pair of sapphire earrings, a knock-'em-dead designer gown, and shoes to die for. Dressed to kill, Brandi arrives at a high-society soiree celebrating the famous Romanov Blaze diamond searching for the perfect man to distract her from her romantic sorrows. Roberto Bartolini, an Italian count, does the trick. Brandi spends one perfect weekend with him, assuming that she'll never see him again, only to discover that the irresistibly sexy nobleman is not only a suspected jewel thief but also her firm's new client. New York Times best-selling Dodd will dazzle readers with this fabulously fun tale of danger, desire, and diamonds, which features yet another winning combination of the author's trademark smart and snappy writing, delightfully original characters, and deliciously sensual romance.
