True Blood/SVMVon huchIf you like the HBO show "True Blood" and always wondered about the books it is based on... you should definitely get this omnibus. The first three novels of Charlaine Harris' "Southern Vampire Mysteries" are combined in this wonderful edition. I decided to buy this omnibus because it seemed a better bargain than to buy the first three seperately, even if I would decide the novels aren't my cup of tea, I'd still be better off. Let me tell you, I am so glad I had three books to read instead of just one- I got hooked right away. It wasn't long before I ordered omnibus 2 and 3.For those who love the TV-show, you'll love the novels. The beautiful thing is: the show differs in the plot lines from the original books- meaning twice the fun, suspension and thrill for readers who watch the show. So don't be alarmed when certain characters get killed off in the novels but live on in the show. Both plots work fantastically.I've grown to love Sookie Stackhouse, blond telepathic waitress in Bon Temps, Louisiana. She is such a spunky, brave and smart girl with unusual problems and you'll feel with her when she tackles them. Vampires and supernatural creatures, so what? This is "Twilight" for adults.1 von 1 Kunden fanden die folgende Rezension hilfreich. Magical SookieVon Elke KriebelCharlaine Harris has done a hell of a job creating a whole new, imaginable universe for her readers. The ongoing story about Sookie, the mindreading waitress and her relationship with vampires, weres and other creatures is a real pageturner. Sookies struggle between the worlds and her two vampires is nothing you put away easily.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungSookie Stackhouse enjoys her job as a cocktail waitress in Merlotte's, a small-town bar in small-town Bon Temps, deep in Louisiana. She's funny and pretty and, thanks to her grandmother, she's very well-mannered - but since not many people truly appreciate her ability to read their minds, the guys haven't exactly been beating down her door ...And then along came Bill, tall, dark and handsome - and Sookie couldn't 'hear' a word he was thinking. He was exactly the type of guy she'd been waiting all her life for. Of course, Bill had a disability of his own: fussy about his food, not into suntans, bit of a night person: yep, Bill was a vampire.But at least now Sookie nows there *are* guys she can date who won't worry about her catching them thinking about other women ...KurzbeschreibungSookie Stackhouse enjoys her job as a cocktail waitress in Merlotte's, a small-town bar in small-town Bon Temps, deep in Louisiana.
