Von Con Riley : True Brit (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised True Brit (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. nettVon SnorkelingEine hbsche kleine Romanze mit x-Factor etc. Flair. Nette, sympathische Figuren, eine nicht sehr realistische Geschichte, aber was soll's, so lange es eine Wohlflhlektre ist, die darin auch nicht enttuscht: Man verbringt die Zeit gerne mit Pascha und Ed, erfahrt vielleicht ein bisserl zu wenig ber Pascha, aus dessen Perspektive man so einen guten lebendigen Einstieg in die Geschichte bekommen hat, der aber dann eher in den Hintergrund treten

musste, weil Eds Geschichte irgendwie heroischer/melodramatischer rberkam. Aber was soll's, die Geschichte hat unterhalten!0 von 0 Kunden fanden die folgende Rezension hilfreich. I hate these shows! " - dddd's next super WHATEVER - " and loved the book!!!Von E.T.Another song contest, another tele-voting, another money grabbing advertising campaign.And every one of the participants has their own motivation to win.So when Pasha (born and bred in Britain and innocent to the fact that one of his parents was from Afghanistan) meets an other contestant, Ed, who was in Afghanistan as a soldier, the makers of the show sniff big money when they try to set the both of them against each other.By chance they - Pasha and Ed together - discover the plot and decide to fight - together.This book is a love story but it also uncovers the mechanism of todays television shows.And Con Riley is very very good with words!

KurzbeschreibungWinning the United Kingdoms favorite singing contest is a challenge for half-Afghani Pasha Trueman. He doesnt have the best voice, but success would be life-changing. His strategy is simplehell make the British public love him.Ed Britten is an ex-soldier with a different agenda. Winning means hell keep a promise made after a deadly Afghan ambush. His voice is his weapon, but he leaves his heart unguarded.Ed and Pashas discovery that the contest isnt a fair fight calls for creative tactics. Staging a fake love story could bring victory, only theres more at stake than the prestigious first prize. If winning means surrendering each other, they could both end up losing.KurzbeschreibungWinning the United Kingdoms favorite singing contest is a challenge for half-Afghani Pasha Trueman.
