**Von Karen Surtees, Nann Dunne : True Colours: Book 1 of the TJ Mare Series (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised True Colours: Book 1 of the TJ Mare Series (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Wonderful entertainment!Von Ein KundeSet in the vast open spaces of modern day Texas, True Colours revolves around the life of a small town veterinarian and the crippled daughter of the most hated man in Meridianville. The reader follows how these two very different people face several tough trials together, and through it all build a loving

lasting relationship. The proud rich TJ Meridian draws the reader in as we watch her struggle with her inner demons and her attempts to clear her name in the town her father all but destroyed. With the help of gentle Dr. Mare Gillespie, who faces a family struggle of her own, TJ finds hope and possibly the miracle she needs to get rid of her inner demons forever. True Colours is the kind of book you want to read on a lazy afternoon, entertaining and satisfying at the same time. The characters of TJ and Mare stay with you long after the book is finished.0 von 0 Kunden fanden die folgende Rezension hilfreich. True Colours = =True EntertainmentVon DyamondTrue Colours is a wonderful romance that grabs and pulls you immediately into the lives of its very "real" characters and touches your heart so deeply. The story entertains the reader with love, drama, humor, action and suspense and flows smoothly from one to the other with good pace. The authors have done an amazing job of making the two principal characters come to life, and have also presented well-fleshed-out supporting characters. I laughed and cried and yearned with these people. I couldn't put it down. I read it straight through until 2:00 in the morning, all the time wishing that the story would never end. This is the kind of story you never tire of. I enjoyed it so much, I know I will read it again. Don't miss this one!0 von 0 Kunden fanden die folgende Rezension hilfreich. True ColoursVon Sharon H. Being a huge Xena fan I found this book well written and the characters extremely believable and very likable. Looking forward to reading more about Mare and TJ.

Kurzbeschreibung TJ Meridian, crippled in an attack on her and her brother, returns to Meridianville, Texas, a small town that her father all but destroyed ten years ago when he closed his ranch and meatpacking plant. Intending to right the wrongs, TJ, with the help of two friends, proposes to bring prosperity back to the area by restocking the ranch and modernizing the packing plant. When TJ's prized horse becomes ill, a local veterinarian is called to treat the animal. The vet, Dr. Mare Gillespie, has lived in Meridianville for the past ten years and has seen the poverty caused by Thomas Meridian's withdrawal from the area. Like most of the native residents, she harbors a great dislike for the family, yet she and TJ are each intrigued by the other woman and a relationship develops. Together they discover love and friendship that endures through personal misunderstandings, a night attack on the ranch, and an ecological disaster that could destroy the town and surrounding lands. Culminating in a life-threatening accident that requires some hard decisions, True Colours is the exploration of hope and love and one woman's struggle to clear her name.
