Nice readVon AstridJessie and Lynn have been friends since childhood - and Lynn has been in love with her friend ever since.However, Jessie married and has a daughter. Only when Jessie seperates from her abusive husband Lynn has a chance of finding more than friendship.But then, will Jessie's husband leave them alone?This is a good read for a view

hours of escapism. So, if you're looking for an easy read and a nice love story - this is your book. Funny enough my book has only 231 pages and not 288 as mentioned by .0 von 0 Kunden fanden die folgende Rezension hilfreich. AverageVon SandraAn average read. I'm not very fond of plots in which a mere misunderstanding keeps the characters apart, even though it could be cleared up with one simple conversation. On the plus side, the story has a relatively clean point of view. Both women's families are too supportive to be believable, even the mother who didn't stop her husband's verbal abuse of Jessie's gay sister.

KurzbeschreibungBeing in love with your best friend shouldnt be this difficult. Lesbian novelist Lynn Patrick returns home to Portland, Oregon, for the holidays and discovers that her lifelong friend, Jessie, has separated from her husband. During a game of True Confessions, Lynn finally sees her chance to admit her feelings for Jessie, but she doesnt take it. She knows Jessie needs a friend now, and not another complication at this point in her life. For Jessica Greenfield, nothing has ever been simple. Her father was abusive, and she married a man just like him. Her husband has already put her in the hospital once and has threatened her since they separated. All Jessie cares about is protecting the people she loves, and that includes her six-year-old daughter, Amber. When Jessies husband shows up looking to make good on his threats, Lynn finds herself caught in the middle. Will Lynn and Jessie be able to weather the storm, or will he succeed in keeping them apart forever? KurzbeschreibungBeing in love with your best friend shouldnt be this difficult. Her love of sports mainly baseball and ice hockey was fueled in part by her fathers interests. She likes to brag about the fact that her uncle managed the Milwaukee Brewers for five years, and the Chicago Cubs for one year. PJ now resides in eastern Pennsylvania with Cheryl, her partner of many years, and their menagerie of pets six cats, and one very neurotic dog. When not writing or reading, PJ spends her time rooting for the Flyers, Phillies, and Eagles, or watching movies.
