Von Arnette Lamb : True Heart (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised True Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Arnette is great!Von Ein Kunde"True Heart" was a delightful book, and reading it made mereread the first two books in the

series. I found it not quite as enthralling as "Beguiled," and Arnette Lamb should study upon her Scottish history and culture. One very obvious fault was the frequent mention of "Scottish" as a language. There is no such language. The Scots spoke Gaelic. The main plot of "True Heart" didn't really show up till near the end, and it was quite weak. The plot of "Beguiled," on the other hand, began at the very beginning of the novel. I'm looking forward to reading more of Ms. Lamb's work, and hope to "Highland Rogue" in the library.

Von Ein Kunde Arnette was always one of my favorite authors and this, her last book certainly lives up to the humor and rich details of her previous works. I don't know about the rest of you, but I'm certainly going to miss her books. Cancer is a tragic disease and I hate that it robbed us of one of romance's brightest stars. Kudos and thanks, Ms. Lamb for carrying on until the end. I only wish I could have told you how much your work meant to me before it was too late.

0 von 0 Kunden fanden die folgende Rezension hilfreich. True Heart is whimsical escapism for a cold winter's night. Von glblank@msn.com True Heart is a delightful read. Arnette Lamb is becoming a favorite of mine for her whimsical style of writing. In True Heart she brings back all the wonderful members of Lachlan MacKenzie's family with their talents and foibles. While not as plot driven as her other books, it is a great book for curling up in front of a fire and losing oneself in time.

Kurzbeschreibung From the New York Times bestselling, award-winning author of Chieftain, this dazzling novel set in Scotland and Tidewater Virginia brings Arnette Lamb's Clan MacKenzie series to a spectacular conclusion. En route to join her betrothed, Cam, Virginia MacKenzie is sold into slavery by an unscrupulous sea captain, and Cam searches for her for years, only to learn that he must recapture her heart.
