Von Jae : True Nature (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised True Nature (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good bookVon M. ApelAlthough I am hesitant to buy books that cost more than the average price, i picked this one. Well

developed characters, logical world, good storyline. Good writing as usual with this author. Still, a bit overpriced in my opinion.

Kurzbeschreibung When wolf-shifter Kelsey Yates discovers that fourteen-year-old shape-shifter Danny Harding is living with a human adoptive mother, she is sent on a secret mission to protect the pup and get him away from the human. Successful CEO Rue Harding has no idea that the private teacher she hires for her deaf son isn't really there to teach him history and algebra or that Danny and Kelsey are not what they seem to be. But when Danny runs away from home and gets lost in New York City, Kelsey and Rue have to work together to find him before his first transformation sets in and reveals the shape-shifters secret existence to the world.
