Netter SerienstartVon daxie1968Lucy Valentine wurde in die reiche und berhmte Valentine Familie geboren. Die Mitglieder dieser Familie verfggen ber die besondere Begabung, die Aura eines Menschen sehen zu knnen. Diese Begabung haben

sie bisher sehr erfolgreich genutzt, um in ihrer Heiratsvermittlung die "passenden" Menschen zusammenzuführen. Als Lucys Vater in einen Skandal verwickelt wird und mit ihrer Mutter kurzfristig für eine paar Tage abtaucht, muss Lucy die Leitung der Firma übernehmen. Das bereitet ihr jedoch große Probleme, da sie ihre Begabung durch einen Unfall vor etlichen Jahren verloren hat und nun lediglich verlorene Dinge wiederfinden kann...Aber sehr schnell stellt sie fest, dass sie ihre eigenen Fähigkeiten bisher sehr unterschätzt hat und plötzlich befindet sie sich in einer Mordermittlung wieder und benötigt dringend die Hilfe des sehr hilfsbereiten und noch dazu herausragenden Sean Donahue, seines Zeichens Privatdetektiv...Wer die Nina Quinn Serie der Autorin kennt, wird feststellen, dass die Lucy Valentine Serie deutlich stärker auf den Romance-Bereich fokussiert. Dennoch, es ist ein nettes Buch für zwischendurch, durchaus unterhaltsam und ich kann mir vorstellen, auch die Nachfolgebände zu lesen. Mir persönlich gefällt die Nina Quinn Serie dennoch besser, da sie humorvoller ist und nicht so stark auf Romance ausgerichtet.

Kurzbeschreibung Lucy Valentine is as smart as can be, as single as you can get, and so not qualified to run a matchmaking service. But when her parents temporarily step down from the family business, Valentine, Inc., it's Lucy's turn to step up and help out in the name of love. Plus, her rent is due. Here's the problem: Lucy doesn't have the knack for matchmaking. According to family legend, every Valentine has been blessed by Cupid with the ability to read "auras" and pair up perfect couples. But not Lucy. Her skills were zapped away years ago in an electrical surge, and now all she can do is find lost objects. What good is that in the matchmaking world? You'd be surprised. In a city like Boston, everyone's looking for something. So when Lucy locates a missing wedding ring on a dead body she asks the sexy private eye who lives upstairs to help her solve the perfect crime. And who knows? Maybe she'll find the perfect love while she's at it in Heather Webber's Truly, Madly. Pressestimmen Snappy and fresh a delightful mix of intrigue and humor!
