**Von Michael Connelly : Trunk Music (Harry Bosch Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trunk Music (Harry Bosch Book 5) (English Edition):

Harry Misreads the CluesVon Donald MitchellMichael Connelly does something unusual in Trunk Music: He makes Harry Bosch fallible in his work as well as in his private life. The result is that Harry has setbacks that go beyond his usual run-ins with LAPD authority. The result is entertaining and convoluted, providing novelty to this excellent series.This

isn't my favorite in the series by a long shot. The noir aspects just aren't as dark as in Connelly's best efforts. Gallows humor saves the book, beginning with finding a corpse in a car trunk where the crime scene can be seen from the audience at the Hollywood Bowl. Even Harry knows that he's got to avoid messing up the concert. The show must go on! The Las Vegas parts of the story open up many new threads for future tales, including a meeting in this book with an old friend from *The Black Echo*. 0 von 0 Kunden fanden die folgende Rezension hilfreich. So gut wie immer Von Miezekatze Harry Bosch ist wieder unterwegs - im Team mit Jerry Edgar und Kiz Rider untersucht er den Mord an einem zwielfichtigen Filmemacher, der mit der Produktion von Softpornos Geldwische für Mafiosi aus Las Vegas betreibt. Wie immer erfreut Connelly den Leser mit überraschenden und cleveren Wendungen sowie super gezeichneten Charakteren - allen voran natürlich der obercoole Harry Bosch! Allerdings frage ich mich, was Bosch an Eleanor Wish so toll findet, aber, wie heißt es so schön, "jedem Tierchen sein Plaisierchen"...Insgesamt ein super Krimi, ein Must-Read, 5 Sterne. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Genialer Protagonist Von Huubsi Wie immer! Harry Bosch mit Ecken und Kanten lässt sich nicht verbiegen. Spannende Handlung, ein richtiger Pageturner der süchtig nach mehr macht!

Kurzbeschreibung Harry Bosch is back at the LAPD in Homicide after disciplinary leave. But his first case proves to be one of the most difficult. In the wooded hills overlooking the Hollywood Bowl, he opens the trunk of a white Rolls-Royce and finds a corpse. It looks like a simple case of Trunk Music - the execution style of the Mafia where the victim is shot in his own vehicle - but the victim is LA movie producer Tony Aliso, and the mob weren't the only ones after him. Bosch finds himself up against the FBI - and back in the arms of a beautiful ex-felon. It's starting to look like Harry's first case back in Homicide is in danger of being his last . . . deLAPD Homicide detective Bosch is back from an involuntary administrative leave just in time for the bodies to start turning up. When he finds hints of a mob hit but can't interest the organized crime unit in the murder, Bosch has to take the investigation into his own hands in a this hard-boiled tale full of sharp turns. Fans of Michael Connelly's excellent, *The Poet*, will go wild for this even better addition to the Harry Bosch series. comLAPD Homicide detective Bosch is back from an involuntary administrative leave just in time for the bodies to start turning up.
