will nicht zu viel zur Story verraten. Man kann sagen, zwei, die zueinander gehen, müssen extrem viele Hindernisse überwinden um endlich ihr HEA zu erreichen. Man sollte hier darauf hinweisen, dass das Buch extrem viele Sexszenen beinhaltet. Das wäre an sich nicht so schlimm. Leider laufen sie immer nach dem gleichen Schema ab. Es ist schon drei Wochen her seit ich das Buch gelesen habe und ich könnte immer noch die genauen Schritte der Szenen wiederholen. Egal wie oft das Setting gewechselt wird es laufen immer Schritt 1 bis 4 ab. Ich kann keine klare Leseempfehlung geben, aber für Zwischendurch reicht es. Der zweite Teil wird von der Freundin handeln, die erst mal ihren Chef und Liebhaber erwischt, wie er sie mit seiner Sekretärin betrügt.

**Kurzbeschreibung** His eyes are a cobalt blue, sitting beneath short blond hair and above a finely chiseled, unshaven jaw. Under normal circumstances he'd be drop dead gorgeous, but the fact that he is calmly trying to negotiate a price for my ass makes him decidedly less so. Chase Anderson. He's rich, famous and travels the world to exotic locales on pretty much a monthly basis. He also has the casual arrogance of a man who is used to having everything go his way. We couldn't be more different. I barely had enough money to fly out here to Vegas with my boyfriend Harrison a final, desperate bid to save our troubled relationship. It didn't even take two days for it to fall apart anyway, in a very public and spectacular fashion. And Chase wasn't just there to witness it, he was an active participant. But now I'm stuck in a strange city, and he's the only one around offering to help. How can I trust a man I barely know? A man who tells lies for a living? All of my instincts tell me to run. Get away from him as fast as possible. So why do I want to do the exact opposite? **Note:** This is a stand-alone romance novel with an HEA ending. It contains sex and mature themes, and is intended for adults only. The follow up to this book, Silver and Chrome, is available now! **Kurzbeschreibung** His eyes are a cobalt blue, sitting beneath short blond hair and above a finely chiseled, unshaven jaw.
