Brilliant read Von Philomena (Cheekypee) This was a fabulous book that had me totally gripped from start to finish. It was one of them books that made it easy to get lost into your book ignore everything around you. I so love Allie Damien. These two had to move forward from a heart breaking past. Together they helped one another. I seriously didn't expect the

story to have such a twist. Be warned this book has a cliff hanger which may have you shouting at the kindle like I did. I so need to read the next part if this series.... Real quick!!!!Received from author in return for an honest review.

KurzbeschreibungA difficult year filled with loss and heartache leaves Allison Scott withdrawn and emotionally disconnected. When she is finally ready to move forward with her life, she embarks on a getaway vacation to Miami, determined to find healing from the painful memories in her past. Damien Wales also has a tragic past that has left him a cold and distant person. However, the moment he sees Allison, hes inexplicably drawn to her, and he is a man who will stop at nothing to get what he wants. A sunset stroll brings the two together. Allison feels an undeniable attraction to Damien, but shes hesitant to get close to anyone. Damien will do everything he can to keep Allison in his life, but his overprotective and domineering demeanor might just push her away. When Damiens dark past begins to collide with his present, Allisons life is put in danger. Damien must keep her safe, but some things are just out of his control. Since an early age, she has always enjoyed reading and writing. While visiting her father one weekend, he suggested that she should take up writing again. With family and a career, she didnt give it a lot of thought, until a story entered her mind and wouldnt leave. It just kept forming and developing over a couple of months. At the beginning of 2013, she decided to sit down and write it all down, but she kept it to herself. One sentence developed into two, and before she knew it, she had the makings of a novel. Kristin tries to live life to the fullest during every moment. She loves to travel and meet new people. She holds a degree in International Business and uses it daily in her job. Kristin now adds author on her list of jobs, and feels very blessed and thankful.
