**Von Linda Chaikin : Tuesday's Child (A Day to Remember Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tuesday's Child (A Day to Remember Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Magnificent Job! Von melinda easterly Tuesday's Child was a great book! i have read all of linda chaikin's books and this is one of the best! it has mystery, espionage, ballets, and romance. the characters are described very well and you

feel like you know them by the end of the book. the historical accuracy of this book is also very well done, which the book takes place during the time when Hitler is getting ready to invade France. the ballet in the book is very well described and you can obviously tell that Linda Chaikin had to research a lot on it to give such a detailed explanation of it. I thoroughly enjoyed reading this book! I couldn't put it down! Thanks Linda Chaikin! Get up the good work!

In Tuesday's Child, the reader is immediately drawn into the world of espionage during WWII. The characters are believable and their struggles realistic. However, having read every book Ms. Chaikin has written so far, (and loving them all), I found myself wishing this story was one she would've turned into a trilogy. There was so much potential in the characters and the setting that I really hated to see the storyline end. The story is wonderful as it is -- I would've so enjoyed reading an expanded version on this theme. I very much appreciated the detail Ms. Chaikin gave to the historical accuracy. Another wonderful read from this author!

Von Shell If you have ever read Monday's Child or the Arabian Winds series and enjoyed them, then you will certainly enjoy reading Tuesday's Child. And, like in the books I just mentioned there is a good looking intelligence agent just waiting to fall in love with Valli, the main character. (Have you ever noticed that Linda Chaikin has a thing for intelligence agents?) Anyway, I'm sure you will enjoy reading this book filled with romance, mystery, excitement, and suspense.

Kurzbeschreibung In the summer of 1940, with France on the verge of surrender to Germany, Valli Chattaine, a star in the Paris Ballet Company, must escape Paris and return home to French Morocco. A French Foreign Legionnaire, hired by her family, attempts to get her safely out of Paris. Marc Durell, an adventurous and capable soldier, also brings Valli a secret letter from her older sister, Gisele. But in going home, Valli falls into a maze of dark deceptions and dangers. Through it all she comes to a deeper understanding of God's grace, which is so much greater than her own. His grace helps to bring her and her family beyond devastating circumstances in Casablanca and is equally present in her own romance with the charismatic Legionnaire.
