Von Radclyffe : Turn Back Time (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Turn Back Time (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Perfect book for a rainy afternoonVon Alberta M. YourdanI rather enjoyed this book. It is well written in typical Radclyffe style and holds enough suspense to have you not put the book down until you finished reading it. I found the characters realistic-in a romance novel kind of way of course-and their troubles and worries believable. If you are

looking for the perfect read on a rainy Sunday afternoon, this is the book for you.

KurzbeschreibungLove has a way of derailing the best of plans. Wynter Thompson, divorced with a young child, struggles to balance the demands of her surgical residency with the responsibilities of motherhood -and between the two, discovers there is little time left for anything else. She manages to convince herself that she has everything she needs, because another chance at love is definitely not in her game plan. Pearce Rifkin is a woman with a plan, and it doesnt include a serious relationship. Chief Surgical Resident is just a stepping stone to her lifelong goal - chairmanship at one of the top ten medical centers. Determined to follow in her fathers footsteps, even though she isnt the son he dreamed of, Pearce has no time for romance. Two women with nothing in common but a shared passion for surgery clash at every opportunity, especially when matters of the heart are suddenly at stake.KurzbeschreibungLove has a way of derailing the best of plans.
