KurzbeschreibungSuddenly-orphaned Steven ends up moving in with his older cousin Samantha, a live-in teacher at prestigious Claregrove School for Girls.The loneliness of being kept separate from the girls and being tutored privately leave him depressed and the head mistress allows him to join in with a few of the extra-curricular activities at the

school. His contact with the girls is strictly supervised and he is under firm instructions to follow any rules to the letter - such as wearing the Claregrove-approved tennis kit, which includes a skirt. Surrounded by girls, he begins to forget what it was like to be a boy but the clock is ticking. If his hormones cause him to become too masculine, the head mistress' concerns for the reputation of the school might find him banned from the clubs again. A momentous decision must be made, one that will change the course of his whole life... This 65,000+ word novella is Satinmaid's latest tale - a sweet coming-of-age story for those of us who wished we could have gone to school as a girl.
