Wow!Von Ein KundeA friend left this book at my house the other day, I had never heard of Greg Iles before but it looked interesting. I started reading and was quickly hooked and I finished Turning Angel in two days! It is a great combo of legal thriller/psycho drama against a Southern scene. Unlike many of todays thrillers, at no point in this story is the reader ever sure of the outcomethis helps keep the tension and suspense at high level!At the center of the

story is attorney Penn Cage. The murder of a beautiful teenager has the town of Natchez Mississippi in an uproar. Then Cage learns from his friend, Dr. Andrew Elliot, that the good doctor had been planning on leaving his wife to run off with the murdered 17 year old! Penn does not approve of the Doctor's conduct but does agree to represent him and help to unearth the girl's murderer. From here the book takes off and is a fine mystery/thriller but it is also a morality play, as people start to die and the secret lives of the town's High schoolers is uncovered. In spite of the great plotting, and its touching on so many relevant social issues, what really makes this book stand out among the rest is the writing. I really liked how the author uses the first person perspective of Penn to tell the story. The reader is actually transported into the head of Penn Cage! I can highly recommend this book and look forward to more from this author in the future! Oh yes! I don't recommend many other books, but do check out *TOURIST IN THE YUCATAN* another fascinating thriller that will keep you guessing! Thank you Jason for telling me about this book!

 Von Petra Ackermann
 Ich habe erst diesen Winter in den USA Greg Iles entdeckt und habe jetzt schon fast alle seine Bücher gelesen, vielmehr verschlungen. "Turning Angel" ist eines meiner Lieblingsbücher und mehr als nur ein Krimi. Viele seiner Geschichten wie auch "The Quiet Game" spielen in den Südstaaten vielmehr in Mississippi und gehen auf tief liegende politische Probleme ein. Das mag nicht jedermanns Sache sein. "Turning Angel" ist eine sehr komplexe Story und nur zu empfehlen.

 Von Hans Sefranek
 Greg Iles ist der Meister aller Meister. Ich habe in meinem Leben schon Myriaden Thriller und Krimis gelesen und habe mich schon für so manchen Autor und so manches Buch begeistert. Bei Greg Iles aber muss ich sagen: er ist der Meister aller Meister. Eine derart dichte Schilderung von Menschen der unterschiedlichsten Typen und Charaktere mit all ihren Tugenden und Fehlern, ja Verirrungen, findet man sonst nirgends. Und ganz nebenbei habe ich, so im Drüberstreuen, Natchez kennen gelernt, den Schauplatz mancher seiner Bücher und seine persönliche Umgebung. Ohne selber dort gewesen zu sein, ist mir diese Stadt so vertraut geworden als hätte ich Jahre dort gelebt und all ihre Probleme, ihr Umland und ihre Menschen am eigenen Leib erfahren. Wirklich dankbar bin ich, dass ich zwar schon so manchen Iles verschlungen, aber eine ganze Reihe seiner Bücher noch vor mir habe. Solange ich die nicht bis zum letzten kenne, kommt mir kein anderer Autor vor die Augen.

Kurzbeschreibung The second thriller in the New York Times No.1 bestselling series featuring Penn Cage: a man who must face the dark heart of the Deep South and question everything he believes in
 One dead girl. And a town full of secrets
 Rape and murder aren't new to the Deep South, but when the body of a popular high school girl is found dumped in the local river, the whole town of Natchez, Mississippi, is shocked.
 Penn Cage no longer practises law, but when his best friend Drew is accused of the murder and asks for help, Penn must face the hardest questions of his life: Can he defend Drew against the town, the police and overwhelming evidence? Or could it be true that his friend is a brutal killer who has deceived Penn and everyone else?

Pressestimmen
 * 'The job of great fiction is to entertain, elucidate and educate while keeping readers nailed to their chairs; this does all of that brilliantly.' - Publishers Weekly
 * 'One of America's top new crime writers.' - Observer on Greg Iles
 * 'Alarming, believable, and utterly consuming... resonates long after the final page is turned.' - Dan Brown on *DARK MATTER*
 * 'Iles's way of telling the story lifts him clear of the pack... into a different league.' - Observer on *BLOOD MEMORY*
 * 'Edge-of-the-seat thrills all the way.' - Irish Independent on *BLOOD MEMORY*
