Paranormale ActiongeschichteVon MerleInteressante paranormale Geschichte einer australischen Autorin mit Handlung in Sidney.Seit dem Unfalltod ihres Sohnes vor Jahr dmpelt die 29-jhrige Katie OConnor nur noch vor sich hin und macht geheimnisvolle Botengnge fr den befreundeten Ben Stevens. Vom letzten Botengang kehrt sie mit Blut

an den Hnden und einer Gedchnislcke zurck. Des Mordes an einer Drachenwandlerprinzessin verdchtigt, flieht sie zusammen mit Ben. Hintergrund der gut geschriebenen Story mit wenigen Lngen ist die Nachfolgeregelung, das heisst der Erbfolgekrieg im australischen Drachenreich. Nicht wirklich gelungen erscheint mir die Rolle von Ben. Eine Geschichte mit fantasiereichem und spannendem Weltenentwurf, die ich gerne weiterverfolgen werde. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyable and entertaining Von Avid ReaderI just read the entire trilogy in one go, via KU, and found it well-written and interesting. Such fantasy series where the supernatural meets our real world is my favourite kind. The sequels were just as good, if not better than the first volume.

Kurzbeschreibung Kate OConnors trying to move on from a tragic past, but theres a big difference between wanting to forget and having someone rip the memories right out of your head. When Kate returns from an unusual courier job with no memory of where shes just been, alarm bells start ringing. But the weirdness gets seriously out of hand when a werewolf shows up in her kitchen and tries to kill her. It turns out theres a whole hidden world of shifters out there and most of them want Kate dead. Shame she cant remember why. Werewolves are only the beginning of Kates troubles. The shifter world is ruled by the dragon queens, and Kates managed to land right in the middle of a supernatural war of succession. As the queens daughters fight to the death, Kate forms an unlikely alliance with her attacker. To have any hope of surviving she must uncover the explosive secret hidden in her memory but first she has to live through the night. Twiceborn is the first book in the urban fantasy trilogy The Proving.
