Kurzbeschreibung"Anyone reading a Ross Thomas thriller for the first time is in imminent danger of addiction: One taste is never enough." - Los Angeles Times  
In *Twilight at Mac's Place*, the quiet death of an aged spy triggers a desperate race to control his memoirs, which threaten to reveal Cold War secrets many would prefer stayed secrets. When the spy's estranged son receives the then dizzying sum of \$100,000 for all rights to the work, he is properly dizzied. He is also smart enough to seek the help of veteran Cold Warriors McCorkle and Padillo, owners of a D.C. bar called Mac's Place that is both a capital landmark and a nest of intrigue.  
From Publishers Weekly  
Former CIA "fixer" Steadfast Haynes dies in Washington, D.C., leaving his memoirs to his son Granville, an ex-L.A. homicide investigator. Granny finds that the manuscript is mostly blank pages and is soon faced with the murders of both his father's lover and a CIA retiree. According to PW, "Thomas is at his best here with an intricate, riveting plot and a fine dry humor." Copyright 1991 Reed Business Information, Inc.  
From Library Journal  
Secret CIA veteran Steady Haynes's legacy to his son Granville turns out to be more trouble than it's worth. When Granville, a Los Angeles homicide detective turned actor, receives an offer of \$100,000 for the rights to his father's memoirs he decides to see how high the bidding will go, but a search for the memoirs leaves him wondering if they even exist. Joining him in his quest are McCorkle and Padillo, owners of a Washington bar and grill called Mac's Place; Ericka, McCorkle's daughter, provides romantic interludes. What begins as an intriguing and often amusing adventure ends with a thud, but Thomas ( *Briarpatch*, LJ 9/15/84) is a popular author, so expect demand.-Sue Mevis, Ludlow Memorial Lib., Monroe, Wis.
