Von Ein Kunde In "Twin of Fire," Ms. Deveraux continues the story of Blair Houston Chandler. Twin of Fire concentrates mainly on Blair and her growing relationship with her sisters ex-fiance, Dr. Lee Westfield. Blair was studying to become a doctor in Pennsylvania. She went back to Chandler, Colorado to be in her sisters wedding. There her sister concocts a scheme that winds up putting Blair and Lee together. This story of Houston and Kane is continued in this book, in which I thoroughly enjoyed reading more about their relationship. The hilarity of how the relationship between these four people develops will keep you laughing. 0 von 0 Kunden

Von Ein Kunde Deveraux essentially wrote one book when she wrote "Twin of Ice" and "Twin of Fire," but split it into two packages. It's the story of twins and their searches for love. You MUST read "Twin of Ice" first, as it sets up the story fully. The majority of "Twin of Fire" is to remind the reader of what happened in the first book, then giving the same events from the other twin's perspective. It's classic Deveraux, and a fan will like these (particularly "Twin of Ice", the better book). Be sure to read "Twin of Ice" first, and read "Twin of Fire" directly following. I didn't really like the "playing catch up" style of this book, but it was interesting to see the same events from many sides without muddying up the stories. If you're not already a fan, don't start with this one: read "Sweet Liar" or "A Knight in Shining Armor," my personal favorites (and I've read all but two now). "Twin of Fire" was not her best, but it was a nice book to cuddle up with on the couch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Jude at her Best Von T. Kraft Ich bin ein großer Fan dieser beiden Bücher (Twin of Ice/ Herz aus Eis - Twin of Fire/ Herz aus Feuer) !!! Es macht wirklich Spaß die eigentlich gleiche Geschichte aus zwei so unterschiedlichen Perspektiven zu erleben, dass es dann doch wieder zwei Geschichten sind... Bei diesem Buch ist besonders bemerkenswert, wie zwei Menschen, die doch so viel gemeinsam haben wie die Helden Blair und Lee, so viele Irrwege für sich selbst bauen und in solche Schlamassel geraten können. Auch wenn man ihnen manchmal zurufen möchte "Nun redet doch einfach mal offen miteinander!".... Aber wie wir es aus den typischen Seifenoperen, sie machen es dann doch nicht und so entsteht ein Kuddelmuddelnacheinander... Zum Schießen ist es aber, als die temperamentvolle und tatkräftige Ärztin Blair einen auf faule Hausfrau macht... Ist einfach lesenswert...

Demure beauty Houston Chandler and independent, hot-tempered Blair are twins. While dreaming of practicing medicine, Blair falls in love with her placid sister's fiancé, a doctor. Blair's impetuous spirit has won her a medical degree in a man's world and captured Lee Westfield's heart. But even as the couple's ardor grows, there are nights when Lee disappears only to return exhausted, haunted. While his silence imperils their love, the truth would imperil her life.
