Von Jude Deveraux : Twin of Ice (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Twin of Ice (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. TWIN OF ICE IS MY ALL-TIME FAVOURITEVon Ein KundeI must have read Twin of Ice about 3 times now and I just

love Houston Kane. Their chemistry was superb and characters so real, although less-than-perfect. I love the scene when they first met in a shop where some ladies were passing nasty remarks about Kane and Houston just told them off in such a classic way! Although people think that Houston made a big mistake by agreeing to marry Kane, the match was actually very good when you think about it. She was able to put all her training to good use by running his household! Best thing is underneath her cool exterior, she was one hot lady indeed! And to think that she could actually have married that boring Leander who couldn't even distinguish between her and her twin Blair. *Twin of Fire*, by comparison pales against this first book. Somehow I was not able to feel for Blair Lee the way I felt for Houston Kane. After reading the fiasco between Blair Lee in *Twin of Ice*, I just felt that Lee must be the gooniest man alive not to be able to tell the twins apart. And Blair actually slept with her sister's fiance! Try as I did to think that her passion is romantic, I couldn't. You should read *Twin of Fire* for completeness but for me, I could not remember the story. Conclusion? *Twin of Ice* is worth a read over and over again and fans of Jude Deveraux should not miss it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. *Twin of Ice* *Twin of Fire*--2 must read books!! Von Ein Kunde This is the first of two books written about Houston and Blair Chandler. In "*Twin of Ice*," Houston is engaged to be married to Dr. Lee Westfield. Her sister comes home from Pennsylvania to be in Houston's wedding. BUT Houston has other things on her mind. Like seeing the inside of Kane Taggart's really big house! So, Houston convinces Blair to take her place on a date with Lee, while she goes to see Kane's house. Things progress rather rapidly for both couples from there on thru the end of the sister book, "*Twin of Fire*". In my opinion, you can't read one and not read the other one. "*Twin of Fire*" brings everything in a circle and finishes two stories that begin in "*Twin of Ice*." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another one that I couldn't put down. Von Ein Kunde As she does with her "*Montgomery*" novels, Jude Deveraux uses her talent to captivate the reader. It is so easy to get caught up in her books and to forget the world exists. Kane Taggart, like most of her heroes, is likeable. One aspect of this book that I really liked was the way his character was developed and how he came full-circle - from someone just out for revenge to someone who saw what love could do. Kane and Houston were a great match! And, I look forward to reading *Twin of Fire* - it's always nice how Deveraux writes other books about her characters so that you can get to know them from every aspect. Definitely worth buying.

Kurzbeschreibung In this historical Western-set romance from #1 New York Times bestselling author Jude Deveraux, a demure beauty faces a life-changing decision: stay safely ensconced in everything she knows, or risk it all for what just might be true love? Jude Deveraux entwines the frontier adventures of two unforgettable sisters demure beauty Houston Chandler and her independent, hot-tempered twin Blair who discover heartfelt passions as powerfully compelling as ice and fire... Happily betrothed to Dr. Lee Westfield, Houston is every bit the good girl she was raised to be. So when faced with Kane Taggart's brash marriage proposal, Houston is outwardly shocked. But beneath her gracious demeanor lies a woman of hidden longings -- and her defenses begin to melt the second this rugged stranger touches his hungry lips to hers. **Kurzbeschreibung** In this historical Western-set romance from #1 New York Times bestselling author Jude Deveraux, a demure beauty faces a life-changing decision: stay safely ensconced in everything she knows, or risk it all for what just might be true love? Jude Deveraux entwines the frontier adventures of two unforgettable sisters demure beauty Houston Chandler and her independent, hot-tempered twin Blair who discover heartfelt passions as powerfully compelling as ice and fire...
