Heart warming and breathtaking at one and the same time!Von Ein KundeThis is a wonderful story, unique in its plotting with exciting twists. The romance is heartwarming, true romance with none of the gratuitous sex so prevalant in this day and time. I would love to see more of this author. Very literary in her style, she keeps you interested to the last

minute leaving you wanting more.0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot sex, fascinating history! Von Ein Kunde Twin Willows: This is a deliciously sensual book, with a pair of gutsy, charming heroines. I particularly enjoyed the way the writer evoked the period, bringing it to life while she kept the action moving right along. A great read; I highly recommend it. Excellent reading, difficult to put down, totally enjoyable Von Jacqueline Lamkin (jalamkin@aol.com) The opening chapter was enough to tell me I was in for a wonderful adventure, and a wonderful adventure it was. From the beginning to the very end Kay's style of writing brings the characters and events to life. I look forward to reading more of her books.

Kurzbeschreibung Graduating from her prim Philadelphia finishing school, Anna Willow McKnight eagerly heads west to the wilds of the Kentucky territory to see her father and visit the place her lovely Delaware Indian mother, who died in childbirth, had called home. It is there, too, that the chestnut-haired beauty will be reunited with her beloved Stuart, the brave soldier-turned-schoolteacher, whose kisses ignite her with overwhelming desire. But frontier life holds promise and peril far greater than any Anna could ever imagine. The growing conflict between native tribes and white settlers threatens to erupt in bloodshed. And in this untamed land is a sister Anna doesn't even know exists, a twin named Willow, hidden at birth and raised among the Indians. As settlers and Indians clash, fate will bring Anna together with her unknown sister...and lead her to a passion beyond her wildest fantasies. Autorenkommentar says "Welcome to this visit to the past." I welcome this opportunity to say hello and tell you a little about myself and TWIN WILLOWS. To me, history is a living record of people who were just like us, rather than dry dates and dull battles, so I naturally gravitated to historical fiction when I began writing. In a series of four books for Barbour Publishing Company's Heartsong Presents line, I took the McKay family, which I introduced in my first book (LOVES GENTLE JOURNEY, Zondervan, 1985; Guideposts Classics, 1994) from the Scots migration of 1740 to the settlement of Kentucky in 1781. In my research for the last book of the series (SIGN OF THE SPIRIT), I became interested in the complex interactions of white settlers with the Native Americans they eventually displaced. Since both my husband and I have ancestors who were early settlers of West Virginia and Kentucky, I used some actual events in which they were involved as the setting for this story of twins with identical heritage, but reared apart in different cultures. And of course, they both find romance despite the danger of their times. A Tennessee native who now calls Huntsville, Alabama, home, I enjoy writing, reading, researching and traveling. Let me know your thoughts about TWIN WILLOWS and my other books-- and happy reading!
