Kontinuierliche Steigerung Von Ein Kunde "Want to Play" wurde mir wärmstens von einer Engländerin empfohlen. Das Buch sei ein echter "Rollercoaster"... Zu Beginn wurde ich aber etwas enttäuscht - obwohl die Handlung gleich mit einem Doppelmord beginnt, baut sich der Spannungsbogen nur langsam auf. Auch die Hauptakteure gewinnen nur

langsam an Charakter. Dann wird die Geduld aber belohnt! Die Story - auf die ich hier nicht eingehen möchte, da dies nur der Spannung abträglich wäre - entwickelt sich sukzessive. Die Spannung nimmt laufend zu, die Personen werden einem von Seite zu Seite vertrauter - und sogar die romantische Komponente wird nicht vernachlässigt. Nach den ersten 100 Seiten ist man dann völlig gefangen von der Story und der Komplexität, Verwirrung, Überraschung und Spannung, die sich bis zum Ende weiter steigert...Empfehlenswert für Leute, die einen guten Thriller von Harlan Coben mögen. 5 von 5 Kunden fanden die folgende Rezension hilfreich. Solider Krimi von Eve Horowitz Solide, spannende Unterhaltung wie alle Bücher dieses Mutter-Tochter-Gespanns. Aber, Achtung: dieses Buch gibt es schon unter dem Titel "Off the Grid". Ich habe mich davon in die Irre führen lassen und das Buch gerlicherweise ein zweites Mal gekauft. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Monkeewrench Von sista A For all fans of P.J. Tracy: "Want to play" is the british title for "Monkeewrench". Just so you don't get carried away and buy it twice. For everybody else: It's a delightful fun read. Highly recommended!

Kurzbeschreibung Two Evils is the latest Gino and Magozzi thriller from bestseller PJ Tracy. A missing teenage girl lies dead in a parking lot. Two young immigrants are killed in their apartment. Three men are found dead in the street nearby. As the police struggle to establish what's happened, they realise that the deaths may not be as random as they first appear. As the killings continue, homicide detectives Magozzi and Rolseath turn to maverick computer analyst Grace McBride for help, drawing her into an investigation that will threaten her life. And as the evidence mounts, it reveals terrifying intent. Ultimately, it forces the two detectives to make a dreadful choice: down which path does the lesser of two evils lie . . . PJ Tracy fans will not be disappointed with Two Evils. Like Dead Run, Live Bait and Play to Kill before it, Two Evils produces the same crackling dialogue between the much loved Grace MacBride, Gino and Magozzi. Fans of Tess Gerritsen, Karen Rose and Lisa Gardiner should sit up and pay attention. P.J. Tracy is the pseudonym for the mother-and-daughter writing team of P.J. and Traci Lambrecht. They are the authors of the award-winning and bestselling thrillers Live Bait, Dead Run, Snow Blind, Play to Kill and the Richard and Judy Book Club pick Want to Play? All five books feature detectives Gino and Magozzi and maverick computer hacker Grace McBride. P.J. and Traci both live near Minneapolis, Minnesota.
