Von Harry Turtledove : Two Fronts (The War That Came Early, Book Five) before purchasing it in order to gage whether or not it would be worth my time, and all praised Two Fronts (The War That Came Early, Book Five):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Two FrontsVon Georg PhiloxenidisUsed bok from the US to germany in 3 weeks great deal.I appreciate the fast service and

the great book.

Kurzbeschreibung In 1942, two nations switch sides and World War II takes a horrifying new course. In the real world, England and France allowed Adolf Hitler to gobble up the Sudetenland in 1938. Once Hitler finished dismembering Czechoslovakia, he was ready to go to war over Poland a year later. But Hitler had always been eager to seize Czechoslovakia, no matter the consequences. So what if England and France had stood up to the Nazis from the start, and not eleven months later? That is the question behind the War That Came Early series. Four years later, the civil war in Spain drags on, even after General Franco's death. The United States, still neutral in Europe, fights the Japanese in the Pacific. Russia and Germany go toe-to-toe in Eastern Europe yet while Hitler stares east, not everything behind him is going as well as he would like. But nothing feeds ingenuity like the fear of losing. The Germans wheel out new tanks and planes, Japan deploys weapons of a very different sort against China, and the United States, England, and France do what they can to strengthen themselves against imminent danger. Seen through the eyes of ordinary citizens caught in the maelstrom, this is a you-are-there chronicle of battle on land and sea and in the air. Here are terrifying bombing raids that shatter homes, businesses, and the rule of law. Here are commanders issuing orders that, once given, cannot be taken back. And here are the seeds of rebellion sown in blood-soaked soil. In a war in which sides are switched and allies trust one another only slightly more than they trust their mortal enemies, Nazi Germany has yet to send its Jews to death camps, and dangerous new nationalist powers arise in Eastern Europe. From thrilling submarine battles to the horror of men fighting men and machines all through Europe, Two Fronts captures every aspect of a brilliantly reimagined conflict: the strategic, the political, and the personal force of leaders bending nations to their wills. **BONUS:** This edition includes an excerpt from Harry Turtledove's *The War That Came Early: Last Orders*. Praise for Two Fronts [Harry] Turtledove has another major twist in store for the readers and his alternative world. **SF Site** Turtledove's new variation on the theme of WWII is departing more and more from the original, sometimes in subtle ways and sometimes in less subtle ones. . . . What's next is anybody's guess, except that it will almost certainly be more surprises. **Booklist** Turtledove is the standard-bearer for alternate history. **USA Today** Praise for Harry Turtledove If you like alternate histories, you're going to like this series a lot. **The San Diego Union-Tribune** Turtledove is the standard-bearer for alternate history. **USA Today** **Pressestimmen** Praise for Two Fronts [Harry] Turtledove has another major twist in store for the readers and his alternative world. **SF Site** Turtledove's new variation on the theme of WWII is departing more and more from the original, sometimes in subtle ways and sometimes in less subtle ones. . . . What's next is anybody's guess, except that it will almost certainly be more surprises. **Booklist** Turtledove is the standard-bearer for alternate history. **USA Today** Praise for Harry Turtledove If you like alternate histories, you're going to like this series a lot. **The San Diego Union-Tribune** Turtledove is the standard-bearer for alternate history. **USA Today** **Coup d'Etat** This is what alternative history is all about. **Historical Novel Society** *The Big Switch* The Hugo Award winner continues to delight in exploring the world of what if? **Library Journal** West and East There's plenty to satisfy fans of military strategy, tactics, and armaments. **Publishers Weekly** Hitler's War Turtledove is always good, but this return to World War II . . . is genuinely brilliant. . . . The characterizations in particular bring the book to extraordinary life. **Booklist** From the Hardcover edition. **Kurzbeschreibung** In 1942, two nations switch sides and World War II takes a horrifying new course.
