**Von Ellis Carrington : Two Night Stand (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Two Night Stand (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved itVon Johnathan BoydWhoa! Who expected such a succinct presentation in such a small parcel? Two night stand was fast paced and who can complain after all the title says it all. Ellis Carrington has found his nicheoh hes a she! The story kept me entertained and engaged at all times. The presentation of Gabe and Lincoln makes the storyline deeply realistic as like both characters we all come with baggage that makes us apprehensive to take a chance with something

Good readVon JustinI believe it's realistic, loveable and there is some much to thing to like about this book. i like how they both talk, frequently, about their exes and how it affects them. Too many authors try to have their characters move on from an ex, without admitting that their ex screwed them up and that it's going to affect their relationship, so i would say that it is definitely a good read.0 von 0 Kunden fanden die folgende Rezension hilfreich. passionVon CustomerTwo night standBeen gay an doing something that work,a gay going a straight club which made him really uncomfortable,story tasteful,been around some one not knowing ur status,the kissing,the passion,jealous,love,sense of belonging,A book to buy and read,love at first sight
