KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely great.Von Jonathan BateWhat can I say. This guy and his father can write wonderfully absorbing stories that simply transport you through time back to the historical highlights of the United States, allowing you to literally "step into the shoes" of the protagonists and to feel, first hand, what it must have been like to live at that time.What a talent.If you want to live, feel, breathe, exist in another era, way back there in the beginning of the American

experience, if you want to feel, first hand, what life back there was like, then you are at the right place..

KurzbeschreibungFrom Jeff Shaara, the modern master of military fiction, whose father reinvented the war novel with his Pulitzer Prizewinning classic *The Killer Angels*, comes an exclusive eBook edition collecting two stirring novels of the American Revolution: *Rise to Rebellion* and *The Glorious Cause*. **RISE TO REBELLION** Gripping human drama. *Baltimore Sun* *Rise to Rebellion* brilliantly brings to life the early days of the American Revolution, creating an unforgettable saga of the men who helped to forge the destiny of a nationfrom idealistic attorney John Adams to audacious inventor and philosopher Benjamin Franklin. Shaaras most impressive achievement reveals how philosophers became fighters, how ideas became their ammunition, and how a scattered group of colonies became the United States of America. **THE GLORIOUS CAUSE** Vivid and compelling . . . Shaara reaches new heights here, with a narrative thats impossible to put down. *Publishers Weekly* (starred review) *The Glorious Cause* brings the saga of victory and defeat full circle, from the stunning victory at Trenton to the British surrender at Yorktowna moment that changed the history of the world. This dramatic concluding volume is a tribute to the amazing people who turned ideas into action and fought to declare themselves free.
