No one including the police cared what happened as their mother mentally fell apart and has been in institutions ever since. The girls Elizabeth and April Benoit traveled the foster home circuit until they were old enough to care for themselves. Sixteen years since their Nieman Marcus environment abruptly collapsed, Elizabeth has become a consulting tax attorney while April is a stripper. On their twenty-eighth birthday they squabble. The next

morning April is gone along with Elizabeth's car. A worried Elizabeth reports her missing to the police, but nothing is done about it. She informs her neighbor, homicide detective John Mallory who begins to make some inquiries. As Elizabeth and John work closely together in search of April they fall in love. However, he has been burned by a former marriage to a pretty face and she knows that love is a fleeting faade. TWO SISTERS is an engaging work of romantic suspense that sub-genre fans will enjoy. In spite of trite theme of of twins falling into a good twin- bad twin plot, the entertaining story line xfeels refreshing because Kay David makes her identical sisters do more than just act differently. They do not look the same because April, changing her hair color, etc., refuses to compete with what she perceives as her perfect sibling. John is a caring hunk, which comes across in two distinct ways: the investigation and his activity with his little daughter. Ms. David makes romantic suspense fun with this character-driven contemporary. Harriet Klausner

Kurzbeschreibung THEY'RE DEFINITELY NOT TWO OF A KIND Elizabeth and April are identical twins. Except they don't look or act alike anymore. Elizabeth is reserved, quiet and hardworking. April isn't. When April disappears, Elizabeth can only think the worst. But she'll do whatever it takes to find her sister. Enter a dark, dangerous world, pretend she's someone she's not and ask a complete stranger for help. John Mallory knows there's more to Elizabeth Benoit than she's letting on. She tortures her beautiful hair by putting it up and covers her gorgeous body with tailored suits. Every instinct he has tells him she's hiding something. And he's the kind of man who doesn't like unsolved mysteries. So when she tells him about her sister's disappearance, he doesn't think twice about helping though it's clear she doesn't really want him involved.
