BetterVon GukanunaJust finished the first book and couldn't stop reading this one.It was just fantastic.It's much deeper

than the first and really gets into Spade's character.

KurzbeschreibungA sweet novella sequel to 1 to 2 in the Soul Love Series. Alma Grant, a successful Indieauthor, having landed her first big film deal in LA for her last romantic thriller, The Second Coming, has met her lovematch in Spade, a gorgeous celebrity rapper turned actor, and the leading man in her upcoming film. Their intense and impulsive attraction for each other continues to feel unstoppable, despite the continuation of unwanted, and increasingly threatening, visitations from Spades past seemingly intent upon derailing their relationship. Both Spades desire to build a new future together with Alma, and the strength of Almas potential to stand by her man "no matter what", become tested to the extreme by the violent and manipulative tactics of Spades old hood associate The Groove. As things spiral and unfold, Spade finds himself being pulled ever deeper into a world he no longer wants any part of, and has fought so hard to free himself from. As both Alma and Spade struggle in search of common ground, a mutual love that felt so certain at first becomes clouded. Amidst the enveloping chaos, they must dig deep if they are going to stand a chance of a future together. Filling in the gaps, Book 3 in the Soul Love Series, entitled Loose Ends, coming soon
