Friends falling in loveVon Ein KundeThis is a story of Adam who has been in love with Bianca since kindergarten. His love has been rejected by Bianca for so long that he will take whatever crumbs she throws at him. Even if it means being just friends. I love the way Miranda Lee builds Adam's character, you can feel through out the book how much he adores Bianca. He knows he is being a complete bastard to his beloved friend but he does not want to show his true feelings and get hurt yet again. Story is a bit lame, but Adam makes up for it.

Kurzbeschreibung Bedding Bianca Adam had always been in love with Bianca, but his feelings weren't quite returned. Bianca did care for him, but as a best friend. His was the shoulder she'd cry on, and he never let her down. Until the day Bianca confessed she'd told her mother they were married, and would Adam mind playing the role of her husband while her mom was in town? Adam minded a lot! Suddenly he was not the friend Bianca had always taken for granted. He'd turned into a ruthless stranger who demanded that throughout their two-week "marriage" they share a bed!
