Beautiful writing and funny to boot. I've read A Delicate Refusal by the same author and loved it too and now I'm ready to devour everything Ms. Thomas has written as she is the real deal and true QUALITY in lesbian romance.

KurzbeschreibungWhen Margaret Ret Butlers father gives her the Gay Banana Hot Springs Resort and Spa, the last thing she expects Daddy to do is try to run her out of business. But Daddy has his reasons, and Rets mother is busy. Theres no doubt in anyones mind that the wealthy Butler family is dysfunctionaland they like it that way! When an old flame of Rets checks into the Gay Banana, the banana palms are flowering, the champagne is flowing and the sparks are flying. Oh and the mortgage is overdue, its 120 degrees in the sun and the shade, and the bank, which Daddy owns, is making those most unpleasant foreclosure sounds. Rets mother, though, has other ideas because Rets father has a big, fat secret. And what does Ret's seemingly clueless mother know? Ret would have known the answers to these questions sooner, but she is pre-occupied with trying to pay the mortgage on her resort. Armed with more motivation than insight, Ret has grand larceny on her mind, pink mischief on her lips and a chance to get up close and personal with the ever-lovely Wilhelmina White, aka "Billie." Ret is not about to let some old geezer with too much money ruin her grand plans for the Gay Banana--even if he is her father. Will Ret save the Gay Banana? Will she save her sanity? Will she get the girl? Not if Daddy can help it! Will Daddy win this battle? Not if Mother can help it!This will end well, right? What could go wrong? 25,000 word novella
