A Novel About Our TimeVon BlaubrThis is a novel about the time we're living in - collapsing states, the fight between tolerance and religious extremism, terror and hope.The plot is a compound of interwoven stories, but only mildly complicated, at least compared to the author's other novels.It's no page turner, but a book where you'll perhaps want to

make a break from time to time to think about things. 1 von 1 Kunden fanden die folgende Rezension hilfreich. disappointing Von Kunde Loquacious rather than "philosophical".. Whoever expected a book that really has got something to SAY will find himself harshly disappointed by an author who likes to play with words instead of expressing ideas. Lightyears away from 'Midnight`s Children' ! 2 von 4 Kunden fanden die folgende Rezension hilfreich. etwas Lebensphilosophie mit spannender bernerlicher Handlung Von Ronald Dietze Intermezzo der Djinn-Welt mit der Menschen-Welt. Das Chaos in der heutigen Welt mit den Terrorgruppen und Extremisten (Islamisten) wird bei der dunklen, verrückten Djinn-Welt auf die Menschheit losgelassen. Im Hintergrund als Strippenzieher die Ideen der Philosophie und der Religion. Am Ende ein Happy End und somit ein positives Buch. Salman Rushdie glaubt also doch an das Gute im Menschen.

Produktbeschreibung In the near future, after a storm strikes New York City, the strangenesses begin. A down-to-earth gardener finds that his feet no longer touch the ground. A graphic novelist awakens in his bedroom to a mysterious entity that resembles his own sub-Stan Lee creation. Abandoned at the mayor's office, a baby identifies corruption with her mere presence, marking the guilty with blemishes and boils. A seductive gold digger is soon tapped to combat forces beyond imagining. Unbeknownst to them, they are all descended from the whimsical, capricious, wanton creatures known as the jinn. Centuries ago, Dunia, a princess of the jinn, fell in love with a mortal man of reason. Together they produced an astonishing number of children, unaware of their fantastical powers, who spread across generations in the human world. Once the line between worlds is breached on a grand scale, Dunia's children and others will play a role in an epic war between light and dark spanning a thousand and one nights - or two years, eight months, and twenty-eight nights. It is a time of enormous upheaval, in which beliefs are challenged, words act like poison, silence is a disease, and a noise may contain a hidden curse.
