**Von Melinda De Ross : UNABRIDGED (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised UNABRIDGED (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Thank youVon Ana KoljaninI'm a huge sucker for chick lit and I need to admit that chick lit is one of my favorite genres. I

just enjoy it, can't blame me. The main character is a feminist and I started clapping after reading the article she wrote for the column. I don't think that any character in Chick lit is feminist. At least I haven't read the book with character like that. The story is also great, it kept my total attention the whole time. I didn't want to put book down but sadly, it should've happened because life happens as well. I think that the storyline makes sense and it doesn't feel rushed at any part. The last chapter of the book made me laugh so hard. If you want to read more of my review, please click here: [...]

Kurzbeschreibung Ironically, it all starts with a popular book about BDSM. When Angelina Jameson steps into her boss's office armed with an acid article about 'Billionaires, BDSM and Blah-blah-blah', she thinks her career will take off. But her career aspirations drop into second place when she finds herself face to face with her nemesis. Blade Spencer is the new editor-in-chief of Unabridged the literary magazine where his ex-lover Angelina works. For three years, since she fled small town Jamestown without a word of explanation, they haven't heard from one another. Now, when they meet again, the past and all the feelings they once had between them come rushing back, making them realize their love has never died. But can they reconcile their new circumstances and the changes that have occurred during the three years they were apart? Neither is the person the other used to know. Then there is the faceless shadow who hunts them from the dark, driven by obsession and greed...

ber den Autor und weitere Mitwirkende Melinda De Ross (real name Anca-Melinda Coliolu) is an international author of Romanian origin. She writes in two languages, and her books combine the elegance specific to the European style with the modern appeal of the American culture. She has a Law degree and has been a professional target shooter for over a decade. Her favorite genre to read and write in is Romance, and anytime she prefers to watch a classic movie instead of going to a noisy club. She loves to hear from her readers, and you can find her at:
