KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. lovely story with a little bit of kinkVon CustomerLovely story about a (formerly big) woman who's changed her life meeting a modern hermit and teaching him to accept himself (his sexual setup) which in turn gives him the power to change his

life. Lots of steamy sex, and while I am not able to relate to all the hero is feeling, I love the character development that comes from the heroine's wholehearted acceptance.

**Kurzbeschreibung** An all-new novel from the author of *After Hours*. She set out to find herself, and discovered the darker side of desire. Merry's lost a lot recently—first her mother, then close to a hundred pounds. Feeling adrift, she strikes out in search of perspective. A three-week hike through the Scottish Highlands was supposed to challenge her new body and refocus her priorities, but when disaster strikes, she's forced to seek refuge in the remote home of a brooding, handsome stranger. Rob exiled himself to the Highlands years ago, desperate to escape his own self-destruction. Haunted by regrets, he avoids human contact at all costs—but when Merry turns up injured, he can't very well run her off. And as he nurses her back to health, Rob can't resist his guest's sweet demeanor or her flirtatious advances. The igniting passion between them rouses a secret appetite Rob has long struggled to keep hidden. But Merry craves nothing more than to help Rob surrender to his desires, and the journey draws the lovers into an entirely different kind of wilderness.
