Von Anna Murray : Unbroken Hearts (Easton Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Unbroken Hearts (Easton Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mir hat's Spa gemachtVon BcherliebeDas Buch war eine schne Mischung aus Romanze, Western und Krimi.Es geht um die verwaiste Sarah (ca. 20 J.), die mit ihrem Pflegeonkel eine Reise machte. Unterwegs wurden sie berfallen, so dass

Sarah alleine und mittellos mit ihrer kleinen Schwester in einer fremden Stadt ankam. Der Sheriff dort, den sie um Hilfe bat, schickte sie als Köchenhilfe ins örtliche Freudenhaus. Zu spät bemerkt sie, dass es sich nicht um einen Job als Köchenhilfe handeln kann, als sie wie eine Reklame auf einem weißen Pferd durch die Stadt geföhrt wird ... Dann kommen die Brüder Cal und Roy Easton ins Spiel. Roy "schenkt" Cal zu seinem 30. Geburtstag ein besonderes Geschenk ... So kommen Sarah und ihre Schwester auf die Easton-Ranch. Die Reihenfolge vom Kennenlernen bis zur Hochzeit der beiden Verliebten war ungewöhnlich (unzünftig) für frühere Verhältnisse und für das Westernbuch-Genre, aber umso besser für das Buch, da es ihre tiefe Liebe und heiße Leidenschaft widerspiegelt hat. Es war wunderbar zu lesen, wie sich die Schwestern um ihre vom Schlaganfall gelähmte Mutter kümmern. Nicht nur die Hauptpersonen waren starke, aufrichtige Charaktere, auch die Nebenpersonen waren perfekt gezeichnet, dass man sie alle lieb gewinnen konnte und auf ihre eigene Geschichte gespannt ist. Ich habe mich keine Minute gelangweilt, obwohl es 4750 Positionen auf dem Kindle waren. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Western romance Von Layla Reader Unbroken Hearts is a fast-paced romance in a western setting. Sarah is an orphan and she and her sister Emily have been under the dubious care of her uncle for years. At the age of 19, she has given up any real hope of happiness for herself, but not for Emily. When events on the wagon train leave the 2 girls alone and penniless, Sarah finds herself in a very precarious situation. Roy strikes gold when he arranges for Sarah to be Cal's birthday present. Roy's brother Cal is a decent man who has not found personal happiness and after initial reluctance finds himself drawn to Sarah. She gives him a joy that he no longer anticipated in his life and he gives her a sense of belonging and importance that she did not dare hope for. There are many sweet moments, also involving Roy and little Emily, the mother of the 2 brothers who is confined to a wheelchair after a stroke and a romance between Ned and the schoolteacher. Several malicious, cruel and scheming characters keep the drama moving through to the end. The language was a bit clichéd in places, but the characters are very likeable and the plot maintains its pace throughout. I will definitely read the next two books in this series.

Kurzbeschreibung Orphaned on the trail and deceived by an outlaw sheriff, Sarah Anders is on the verge of a career as a soiled dove at Lola's brothel. She desperately grabs at her only chance for honest work -- at the Mineral Creek Ranch, owned by handsome Cal Easton. While working as a nurse to Cal's mother, a stroke victim, she learns that Cal is a man haunted by the past and cursed by a deadly enemy bent on destroying his family and his successful ranch operation. Sarah also hides a secret past, which Cal must uncover and reconcile before they are free to love. This book contains romantic sex, old west adventure, and raw cowboy humor. 324 pages; Easton Hearts Series BOOK EXCERPT Copyright 2008 Roy eased the wagon slowly down the hill; he'd catch hell from Cal if he made "a damn thundering entrance" into town. Through the dust of Main Street the men caught sight of a young woman on a white pony. Ned Kingman, Lola's hired man, was standing with his head bowed alongside her. A small group of men crushed in on the pair. "Must be a new gal at Lola's," Roy drawled. "She's on the white -- means she's had, ah, no more than five men." He rolled his eyes and chuckled. Cal didn't reply. He tipped his hat back, and leaned forward in the seat. Lola always introduced the new gals by strolling them down the street on a pony, always led by Ned. "Saints be praised," muttered Roy, "we didn't smell this one two miles out." "Hell Roy, they got to advertise somehow --" Cal didn't finish his thought. The physical world had suddenly faded. His dark eyes were filled with a pretty young woman in pink, seemingly oblivious to the bustle around her. Sadness touched at the corners of her mouth, in the place where her lips curved into the soft skin of her cheeks. . . His heart beating wildly in his ears, Cal stared. When she coyly looked up and acknowledged his presence, it felt like springtime rumbling over a long, lonely winter. Why was such beauty destined for Lola's? BOOKS IN THE SERIES Unbroken Hearts Healing Hearts Untamed Hearts Undaunted Hearts ABOUT THE SERIES Long ago John Easton brought his bride to the western territory. There he made his fortune in a copper mining partnership, and he used the mining profits to purchase a ranch. After John was killed, his sons, Cal and Roy, took over running the operation. John's wife suffered a stroke shortly after his death, and while caring for her the Easton men adopted two trail-orphaned sisters, Sarah and Emily Anders. The Easton Hearts series is the story of this second generation. It tells the unique tale of how Cal and Roy built a family amidst the hardships of post-Civil War Montana.
