UnterhaltsamVon Fuchs JoanWie so oft bei Judy Astley, findet man auch hier eine hchst angenehme Urlaubslektre.
Die Personen sind sehr menschlich, die Situationen sehr gut nachvollziehbar. Und dennoch kann man darber herzlichst

lachen.

Kurzbeschreibung If you like Milly Johnson and Carole Matthews, you'll love this funny and touching novel from Judy Astley about life after marriage . . . Melanie finds herself single again after years of being one half of a couple. Her friends predict loneliness, frustration, disaster. Her parents are convinced she's a failure in life. But Melanie is overwhelmingly excited to be able to do her own thing - she plans a programme of behaving badly, after a lifetime of behaving properly. With her daughter off to university and ex-husband Roger married off at last - to his lamentably young girlfriend - she has a Free House, and she intends to make the most of it. But is the single life quite all it's cracked up to be?
