Von Tracey Garvis Graves : Uncharted before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncharted:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Eine gelunge Zusatz-StoryVon BeaOn the Island hat mich bereits begeistert und ich war gespannt auf Owens Geschichte. Immerhin fanden TJ und Anna ein ominses Skelett auf der Insel, dessen Geheimnis nie so richtig entlftet werden konnte.Und was soll ich sagen? Ich fand Uncharted beinahe besser als die Story um TJ und Anna. Auch wenn es eine

sehr kurze Story war, war sie packend, spannend und in keinem Satz langweilig. Uncharted ist eins der wenigen Bücher, die ich wirklich nicht aus der Hand legen konnte. Sehr schön war auch, dass wir mehr über TJ und Anna erfahren, als der Epilog im Buch gegeben hat. Fazit: Definitiv ein Muss für alle, die bereits die Geschichte von TJ und Anna gelesen haben und damit eine klare Kaufempfehlung!

Kurzbeschreibung Return to the island with Tracey Garvis Graves's Uncharted... Tracey Garvis Graves - and Anna and T.J. - are back with this companion novella to her New York Times bestseller On the Island. When twenty-three-year-old dot-com millionaire Owen Sparks walked away from his charmed life, he had one goal in mind: to get as far away as possible from the people who resented his success, or had their hand out for a piece of it. A remote uncharted island halfway around the world seemed like a perfectly logical place to get away from it all. Calia Reed wasn't part of Owen's plans. The beautiful British girl - on holiday in the Maldives with her brother, James - made Owen wonder if getting away from it all might be a lot more enjoyable with a carefree girl who didn't know anything about the life he left behind. But Owen had no idea how much his carefully detailed plans would go awry. Nor did he realize that a decision he made would have such a catastrophic effect on two passengers who boarded a plane in Chicago. But when Owen shows up at Anna and T.J.'s door with an incredible story to tell, everyone involved will learn just how much their lives are intertwined. Uncharted by Tracey Garvis Graves includes an early look at Covet, coming in eBook in September 2013. Praise for On the Island: 'An addictive hybrid: The Beach meets Robinson Crusoe meets Room' Telegraph Magazine 'Beautifully written and desperately romantic . . . A real wow read' Closer Tracey Garvis Graves lives in Iowa with her husband and two children. On The Island was a US word-of-mouth success; with over 2000 reader reviews online, it reached the top ten in the New York Times, Wall Street Journal and .com bestseller lists, and USA Today's top 15. Film rights have been optioned by MGM, with Temple Hill Productions (responsible for Twilight) slated to produce.
