Sympathische Charaktre und eine nette, romantische GeschichteVon Claudia ReichertUnternehmensberaterin Joslyn wird vllig unerwartet von einer Frau gekstst - der Auftakt zum Nachdenken ber die eigene sexuelle Orientierung. Wenig spter trifft sie im beruflichen Umfeld auf die attraktive Raven und verliebt sich in sie. Die Zuneigung ist

beidseitig...Lynn Gallis Charaktere sind uerst attraktiv, stammen - in diesem Fall zumindest - aus uerst wohlhabenden Verhltnissen und sind aus meiner Sicht auch uerst sympathisch. Das Buch war - ebenso wie "Wasted Heart" derselben Autorin - ein wirkliches Lesevergnngen. Wer groe Intrigen und Action mag, ist mit der Story allerdings nicht gut bedient, denn de facto passiert eigentlich recht wenig. Allerdings gibt es super Einblicke in den Job einer Unternehmensberaterin und in den Alltag bei einem vom Konkurs bedrohtem Familienunternehmen, was ich persnlich spannend fand und die Geschichte ungemein bereichert hat. Der einzige Kritikpunkt betrifft das Thema uerst wohlhabend": etwas weniger wre hier mehr" gewesen. Ich bin mir beim Lesen wie mitten in Beverly Hills vorgekommen: Joslyn hat eine ganze Sammlung wertvoller Oldtimer, ein riesengroes Designer-Haus mit tollem Grundstck; Raven hat ebenfalls ein nettes Haus auf parkhnlichem Gelnde, tolle Autos und Pferde. Da beide so viel arbeiten, fragt man sich schon: wann genieen die beiden denn all diesen Luxus eigentlich? Dass sie sich am Ende der Geschichte mit wertvollen Brillanten beglcken, hat mich dann fast schon zum Schmunzeln gebracht...Aber insgesamt eine absolut empfehlenswerte, mitreieende Lektre! 10 von 2 Kunden fanden die folgende Rezension hilfreich.

Uncommon Lynn Galli? Von kareninI very much enjoyed reading "Wasted Heart" by the same author. Unfortunately, after that "Uncommon Emotions" could not quite live up to my expectations. It is the story of a straight business woman who falls in love with one of her clients. The beginning of the story is quite good but what follows is just one long stretch of happy-ever-after. Even the small conflict introduced to add some suspense cannot change that. I have read better books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining romance Von Philologus Lynn Galli has another winner here. The romance is entertaining, the characters vividly depicted and the setting is interesting and convincing.

Kurzbeschreibung As a turnaround specialist, Joslyn Simonini spends her days analyzing corporate profit margins and trying to keep her likeness from being turned into a voodoo doll by company employees. If she does her job well, they often lose theirs. So, it comes as a surprise when she finds herself being kissed one day at work. Shes even more shocked to find out that the mysterious kissing bandit is a woman. Not in the habit of kissing women, Joslyn tries to brush off the unintentional mistake. But before long, shes forced to examine the rush of emotions that accompanied the kiss, especially when she meets Raven Malvolio. At first, she needs Raven to complete her analysis, but she doesnt expect to need the friendship that Raven offers. When those friendly feelings escalate to something more, Joslyns confusion and underdeveloped emotional range might ruin her chance at a relationship that could surpass even her dreams. Uncommon Emotions takes a look at how someone can think shes happy with her life only to be surprised by the passion shes yet to feel.
