Eine wrdige FortsetzungVon Silberwolf65Man sieht hier ganz deutlich die Entwicklung, sowohl des Autors als auch der Protagonisten.Dev und Lee mssen feststellen das ihre Lebensziele sich nicht immer miteinander kombinieren lassen und das man auch in einer Beziehung manchmal seinen eigenen Weg gehen muss.Absolute Empfehlung fr alle die

dieses spezielle Genre schätzen können und Erwachsene Beziehungsstorys mit dem richtigen Hauch Leidenschaft mögen.

Kurzbeschreibung The playoffs are here, and Dev Miski's life has never been busier. As the only gay professional football player, he's in great demand for interviews and commercials, but if the Chevali Firebirds are to make it to the championship game, he'll need to play the best football of his life. Every distraction is a danger. And the number one distraction is his boyfriend Lee. Sick over the death of a young player, Lee pushes Dev to take a more active role in reaching out to gay youth, and doesn't take Dev's resistance well. When push comes to shove, will their love for each other triumph? This fourth book in the award-winning Out of Position series (adults only) is illustrated, as usual, by Blotch.
