Good story but a rip offVon Kat E LThe book isn't very long you can read it in about 30-40 minutes. But it cost as much as a real length book. The author accepted the feedback from other readers and promised to make the books longer which she did. Number four is double the size if 1,2 3 but the joke is that 5 isn't out yet even though she already missed two dead lines. She didn't even announce the missing of the second deadline till about midnight of the day it was supposed

to come out. Readers were all over her website asking where the book is and at midnight she posted that the week before she decided to re-write the entire book, which is fine except she didn't tell her readers till after everyone waited all day. Sorry but the story can be as good as it needs to be but if you don't care of the people paying (a lot of) money then don't expect them to take care of you.0 von 0 Kunden fanden die folgende Rezension hilfreich. Bin genervt Von BcherliebeJawoll, ich bin genervt von diesen zerhackstckelten Romanen. Beim ersten Teil hier handelt es sich praktisch nur um die Einleitung eines Buches. Der Leser soll nur angefixt werden, um die restlichen Kapitel zu kaufen. Es geht praktisch blo darum, wie die Titelheldin in diese Lage gekommen ist und mehr als die Vertragsunterzeichnung passiert erstmal gar nicht. Fr so wenige Seiten ganz schn teuer. Mit dieser Salamtaktik-Vermarktung verschenkt die Autorin nur ihre Bewertungssterne. Wer von der Hppchenstrategie genervt ist und auf der Suche nach hnlich thematischen Bchern, der kann in der Zwischenzeit z.B. "Twist me" von Anna Zaires, die "Consequences Series" von Aleatha Romig oder "Captive in the Dark" von CJ Roberts lesen.0 von 1 Kunden fanden die folgende Rezension hilfreich. Smoking hot ! Can't wait for the next parts ! Von -KundeOK , this book was totally amazing , it had me hooked from the first page on ! Lily , the heroin , wakes up in an unfamiliar room with a collar around her neck , and has at first absolutely no idea how she got there . She then receives a letter which tells her to either submit or die ! That much about the storyline , but what I really liked about this book besides it's dark theme was it's writing style , it was so vivid that you felt as if you were right there in the room with Lily. You were at no point certain of what Lily will do next , and while she was understandably frightened at some points , this isn't a story like so many other were the heroin submits after some pages and a little bit of angst. You don't get to know that much about her captor , but every bit you get is smoking hot ! ("Always, I expect my property to perform to the highest standards..Do not disappoint me.) I read the whole 125 pages in no time at all and started the second book right after that ! Each of the books is 125 pages long and they are published 20 day apart , at the moment the author doesn't know how many books there will be , but I know I will read every one of them !

Kurzbeschreibung When I wake up in a dark, unfamiliar room, I have no idea what's waiting for me in the shadows. My imagination conjures up demons of the worst kind. Reality is much worse: A collar with no leash. A prison with no walls. And a life stripped of meaning. I am presented with a vile contract and asked to sign. It outlines the terms of my servitude. The only information I have about my captor are the two small letters inked at the bottom: J.S. Armed with only my memories, I must do everything I can to avoid becoming ensnared in his twisted mind games. But in the end, it all comes down to one choice: Resist and die. Or submit, and sign my life away. Kurzbeschreibung When I wake up in a dark, unfamiliar room, I have no idea what's waiting for me in the shadows. My imagination conjures up demons of the worst kind.
