Hot and exiting as always !Von -KundeThe third book takes us right to the point where the second one ended , with Lily on the bed and the red line that her collar keeps her from crossing right around it , or at least that what she thinks ...This part brings Lily and Jeremy one step further in their relationship and while Lily realizes she can't pretend she is something

she is clearly not , Jeremy learns that he can't trust her ... yet .The book ends with them doing a nice little trust exercise to change that , which has nothing to do with those we all know where you let your self fall back and hope you partner catches you or leads you around while you are blindfolded !I already loved the other parts of this series , and this one certainly doesn't disappoint !Its just as exiting and well written as the ones before were .And it was really good to see Lily getting her fire back up and believe me she does !0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut lesenswert!Von ReginaAbsolut lesenswert! Nichts fr zarte Gemter, aber spannend bis zur letzten Seite und psychologisch nachvollziehbar. Das ist leider nicht selbstverstndlich.

KurzbeschreibungJeremy Stonehart is a cruel, vindictive man. He wants me to submit. He wants me to give in.I will never give in. I will never yield. No matter what he subjects me to, I will always fight. I will not forget my resolve.Let Stonehart think me broken. I am not so easily deterred as that. No matter what he puts me through, I will always remember my own strength. I will always remember that in the end, I have control of the one thing he really wants:My mind.I will never give him that. I will resist.KurzbeschreibungJeremy Stonehart is a cruel, vindictive man. He wants me to submit. He wants me to give in.I will never give in. I will never yield.
