Good story but a rip offVon Kat E LThe book isn't very long you can read it in about 30-40 minutes. But it cost as much as a real length book. The author accepted the feedback from other readers and promised to make the books longer which she did. Number four is double the size if 1,2 3 but the joke is that 5 isn't out yet even though she already missed two dead lines. She didn't even announce the missing of the second deadline till about midnight of the day it was supposed

to come out. Readers were all over her website asking where the book is and at midnight she posted that the week before she decided to re-write the entire book, which is fine except she didn't tell her readers till after everyone waited all day. Sorry but the story can be as good as it needs to be but if you don't care of the people paying (a lot of) money then don't expect them to take care of you. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Der fieseste belter seit langem Von Bcherliebe Die Story ist fesselnd und spannend, aber auch sehr bedrückend, weil stellenweise echt brutal. Die 5 Sterne gebe ich nicht für die fiese Art mit der das Opfer behandelt wird, sondern dafür wie gut man sich in ihre Erniedrigungen und Gefühle hineinversetzen kann. Im vierten Teil angekommen stellen sich mir aber immer noch mehr Fragen, als ich bisher Antworten erhalten habe. Weil aus der Sichtweise der Frau berichtet wird, tappt man bei der Motivation und den Geisteszustand des Kidnappers immer noch im Dunkeln. Ist er einfach nur geisteskrank oder geht er planvoll vor? Vielleicht erhört gerade das den Spannungsbogen. Wie es weitergeht, will ich auf jeden Fall wissen, auch wenn mir die Folgen zu kurz und berteuert erscheinen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut lesenswert Von Regina Absolut lesenswert! Nichts für zarte Gemüter, aber spannend bis zur letzten Seite und psychologisch nachvollziehbar. Das ist leider nicht selbstverständlich.

Kurzbeschreibung I know that I am here for a reason. Stonehart abducted me, starved me, and left me in the dark... all for a reason. He is a cold man, but he is not irrational. He has his purpose. I have not yet discovered what it is. I should despise him. I should feel nothing but disgust when I think of him. And yet... yet sometimes, I don't. Because there are those precious moments when he makes me feel magnificent. Treasured. Like a real person. One who actually matters to him. I know those fleeting displays of affection should not sway my resolve. But I am not him. I do not possess his self-control. I cannot stay unaffected forever. Bit by bit, my stand is wearing at me. Do I still want revenge? Do I still want vengeance? Yes. Yes, of course I do. I want revenge. I want retribution. But Stonehart wants something from me, too. And the terrifying question that lurks in the back of my mind is: In the end, will it be his retribution, or mine? Kurzbeschreibung I know that I am here for a reason.
