Von Scarlett Edwards : Uncovering You 5: Confessions (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncovering You 5: Confessions (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. At this point I'm tempted to give up on the seriesVon Helga ZahraUp to Uncovering you #4, I still had some hopes that the author could somehow manage a happy ending. At this point, I've given up. Jeremy is becoming more and more abusive and, like all domestic abusers, blames his victim for his abuse. How can shocking Lilly to unconsciousness, keeping her cold and in the dark for days and weeks, raping her, forcing her to eat her "pet" bird etc ever be

rationalised enough to make Jeremy acceptable? At this point, my only hope is that she will escape and seek revenge. Then there is the timeline, which doesn't make sense, and the fact that at this point I can see this story stretching endlessly for at least another five books. The author appears to be milking it for all its worth. My only problem is that she's gone from being a promising new author to being one who I will probably avoid in the future.

Von Regina
Absolut lesenswert! Nichts für zarte Gemüter, aber spannend bis zur letzten Seite und psychologisch nachvollziehbar. Das ist leider nicht selbstverständlich.

Kurzbeschreibung
I am mentally exhausted. I am at my wit's end. I am in the dark, again, with no end in sight. But just when all hope seems lost, a light appears at the end of the tunnel. A confession... that breaks me from the stranglehold of hopelessness and despair. An admission... that brings new dimensions to the man who is shrouded in secrecy. Stonehart's revelation can never change what he's done to me. But can it be enough to make a difference in how I see him? As old questions are answered, new ones arise: Is it possible for a man to change? Is it possible for him to repent for all his sins? And, perhaps most important of all: Is it possible for me to forgive?
