So HotVon CustomerI loved this story it was so tragic but in a way one did not really feel the heaviness of it all because really xander was hilarious and taylor was a bit of a jerk.... But at least it's a happily ever after story.

KurzbeschreibungNew Orleans Police Detective Taylor Campbell has done his best to leave Xander Cooper alone. He joined the Army to get away from the temptation of the younger man. But a series of murders around Xanders restaurant has Taylor running scared. When he happens upon Xander holding off a group of thugs thats when his honor is forgotten. Xander Cooper fell in love with Taylor when he was thirteen years old. Hes waited and watched and hoped that Taylor would one day see him as more than a little kid meant to be avoided. He didnt expect murder to bring Taylor to his bed. For Xander giving Taylor his heart is easy. Letting him in on the family secret is another thing all together. He didnt expect that Taylor would have secrets of his own. Secrets that make a little thing like being a witch seem tame. Murder, mystery, sex and magic. Its just another typical night under a crescent moon.Dark Subject Matter. Mild BDSM. KurzbeschreibungNew Orleans Police Detective Taylor Campbell has done his best to leave Xander Cooper alone.
