KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. zahmer BeginnVon Renate H.Jessamyn ist nach ihrem Studium auf die schiefe Bahn geraten um ihre Rechnungen bezahlen zu können. Als Höhepunkt ihrer Laufbahn bricht sie bei dem reichen Foster ein und wird prompt erwischt. Statt sie der Polizei zu übergeben, bietet Foster ihr eine persönliche Bestrafung an.Die Idee der Geschichte ist gut (aber nicht neu). Es gibt zwar vereinzelt eingestreute Rechtschreibfehler, aber die haben mich nicht so sehr gestört. Was viel aufregender war, war der Mangel an Aufregung;-) Eine Predigt über das Unrecht eines Einbruchs und ein bisschen dominantes Gehabe im Bett ergeben noch keine BDSM Story. Und was daran ist Bestrafung?Sonst war der Aufbau der Geschichte etwas langatmig, obwohl dadurch der Grund für Jessamyns Absturz in die Kriminalität klar wird. Die Sexszenen sind nicht schlecht, konnten mich aber nicht zum Schwitzen bringen. Leider hat es die Autorin nicht geschafft, mir die Figuren näher zu bringen.Gesamt gesehen hat mich dieser 1. Teil einer Trilogie neugierig gemacht, da Potential in der Geschichte steckt. Ob ich meiner Neugierde nachgeben werde? Ich glaube nicht.

KurzbeschreibungAn unashamed burglar, addicted pickpocket, and serial kleptomaniac, Jessamyn thinks she has the perfect target for her most daring crime to date; the ornate, palatial mansion of the renowned playboy billionaire Foster Adams! After hours of planning and preparation, everything seems to have fallen into place; even his security seem to take the night off.So when she breaks in, and finds the supposedly vacationing billionaire engaged in a sordid, kinky game with a blonde, Jessamyn's life takes a turn for the unpredictable! Soon she's tied up, held captive at Foster Adams' pleasure. Rather than calling the police, however, he has a shocking proposition for her; he believes he can change her for the better, and liberate her from a life of crime, if only she'll allow him to hold her under lock and key...Under Lock And Key: The Billionaire's Slave is a 17,000 word novelette. The first book of Bethany Rousseau's thrilling series Under Lock And Key, it is packed with sizzling depictions of erotic embraces, steamy sexual scenarios, and graphically described pictures of romance that are intended for adults only!KurzbeschreibungAn unashamed burglar, addicted pickpocket, and serial kleptomaniac, Jessamyn thinks she has the perfect target for her most daring crime to date; the ornate, palatial mansion of the renowned playboy billionaire Foster Adams!
