book Von Kindle-Kunde Pru had a hard childhood and tries to earn her money with music, she leaves her brother behind to find success with her band. Finally a female rockstar \o/Cash is already successful, he earns a lot of money and seemed to be bored with all this models and women who are popular. When he sees Pru, he gets completely obsessed with her. I did like the way they were interacting with each other. It was really sweet and lovely. What I didn't like was their behavior in some situations... like: Both didn't want a relationship, they pretended to just screw each other... but at the same time they kept saying to how happy they made each other.... That didn't really make sense. Also, in my eyes, there was a lack of conflict. When she was mad, she just took it in, she didn't get mad neither did they get into a fight. He lied to her and she was okay with that. Ugh, to be honest, in my opinion, she didn't make sense at all. She flew all the way to the USA from UK to make music, even though she thought that they would never make it big. She always said that she didn't want to let her friends down, yet she leaves the band right before their last gig and no one knows where she is. I didn't really like her character... but I did like her with Cash. It was really lovely. I still liked the book, even though the main character started to annoy me at some point. Just one thing about the style of Abby Reynolds writing: I thought it was a little fast forward when they were having conversations. In my eyes, these parts should be a little bit more detailed to be easier to read and to understand (not that it was hard to understand, it was just too fast). Everything else was just great. Thank you so much 0 von 0 Kunden fanden die folgende Rezension hilfreich. Angsty Romance!!! Von Julie 4.5 Stars! I loved it! Cash came off at first as a bit of a conceited ass. But then as the story evolves and he shows his true colors, he turns into a real sweetheart! Pru was a bit difficult to connect with at first but she eventually grows on you! I really felt sorry for Gavin, even though he is self-righteous. By the end of the book, I can definitely say that I cannot wait to read more about these characters! I could not put the book down! I read a couple of books by this author before. I was not disappointed! The only reason that I didn't give a full 5 stars is because it reminded me a lot of Beauty from Pain by Georgia Cates. I loved that book as well! Under My Thumb is still very original and completely its own story, but I did feel like the main storyline was something I already had visited in a different way. I would definitely recommend if you are looking for a good romance with angst!!!

Kurzbeschreibung Prudence sets out with her band to Los Angeles to make it big. Leaving behind London is difficult for her, but not because she fears she'll be homesick. She's never coming back. After she arrives, she performs one of her first shows. But little does she know, an admirer sits in the audience. She hypnotizes him and draws him in, making him immediately smitten. The obsession starts. Cash is determined to be alone with this girl. After extreme lengths to share a quiet whisper, they agree on a spring fling. After the horrible break up Prudence had with her previous boyfriend, she doesn't want to be hurt again. Cash's reasons are still a mystery. They spend the summer together, but their romance takes different avenues that Cash didn't predict. He has a very strict set of rules with his women and he never breaks them until Prudence. And Prudence didn't think she could trust someone as much as she trusts Cash. There isn't just a strong physical relationship between them. For the first time, she's not afraid of another lie being fed to her, another sleepless night, or wondering where he's been. It's the only stability she's ever had. After making her way into his heart, Cash struggles with his feelings. He's been hurt before but can he risk being hurt again? His obsession for his musician grows stronger every day. The idea of her being with anyone but him is soul-crushing. And he doesn't understand what's happening to him. Has he fallen in love? Is that possible? A gripping romance that will make your heart flutter, Under My Thumb is a classy tale of love coming from unlikely places. WARNING: CLIFFHANGER
