Von Mina Hepsen : Under the Blood Red Moon before purchasing it in order to gage whether or not it would be worth my time, and all praised Under the Blood Red Moon:

KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. Empfehlenswerter ErstlingsromanVon FilerimosFr einen Erstroman ist dieses Buch wirklich gut gelungen.Whrend des Lesens wird man unwillkrlich in eine andere Welt katapultiert, in der vor allem das freundschaftliche Verhlnis der Geschwister sehr gut zur Geltung gebracht werden. Es werden bereits bekannte Elemente aber auch neue Elemente,

wie z.B. das Begrbnisritual, in die Geschichte mit eingearbeitet.

For a "first novel" it`s a really succeeded book. During reading you get automatically catapulted into a different wold, in which above all the friendly relationship between the siblings is well accentuated. It includes already known elements as well as new elements, like e.g. the burial ceremony.

Kurzbeschreibung Cursed with the ability to hear the thoughts of others, beautiful Angelica Shelton Belanov feels most comfortable when hidden away in the library of her father's English country estate. Now family duty requires that she make an appearance at a glittering gala, mingling with the cream of London society in hopes of finding a suitable husband. Assailed by the unwanted chatter of many minds, Angelica finds relief in the company of a handsome aristocratic stranger who remains, refreshingly, an enigma. But Prince Alexander is not like other men. The powerful leader of an Eastern clan of immortals, he has come to London to hunt down a rogue vampire who threatens the survival of his dwindling kind. Angelica can sense that Alexander is dangerous, a mystery to be unraveled at her own peril. Yet desire sears them both she, the bewitching telepath, and he, the fearless leader who must learn to trust his heart. And unrestrained passion has strict demands that could cost them both their lives...and their souls.
