A KEEPER!Von Ein KundeLovely Aubrey Blue disguises herself as a dowdy schoolteacher on her way to Santa Fe to exact revenge on Maxwell Fleming, the man who killed her family. This is not an easy task, since he's the town's richest citizen. On the way, she encounters handsome, embittered Christian

McBride and his half-brother Sun Shadow. Christian also has a vendetta against Maxwell, since the man had him imprisoned for five years for a crime he didn't commit. This story was action-packed from the first page. I found myself wondering when Christian and the other supporting characters were going to see through Aubrey's disguise. The heat between Aubrey and Christian was intense, and I felt that I was right there with them. I really like Western romances, and this one had it all, guns blazing, saloons, gambling, you name it. Towards the end, Aubrey reveals the secret she's been carrying, it'll take your breath away. I wish Marsha Canham would write a sequel or at least another Western romance. 0 von 0 Kunden fanden die folgende Rezension hilfreich. FULL OF LUST, ENVY AND DECEIT. A KEEPER! Von Ein Kunde Beautiful Aubrey Blue dons a prim school teacher disguise and heads to Santa Fe in order to exact revenge on Maxwell Fleming, the man who killed her family years ago. Plainsman Christian McBride also has a score to settle with Fleming, and while sharing a stagecoach on the way to their mutual destination, the sparks fly. I thoroughly enjoyed this book. The heat between Christian and Aubrey was intense, and the secret that Aubrey reveals at the end will blow you away.

Kurzbeschreibung Disguised as a prim schoolteacher, Aubrey Granger travels to Santa Fe to avenge a past wrong and encounters Christian McBride, a man who had been jailed for a crime he did not commit. As reviewed by Kathe Robin of Romantic Times: "Under The Desert Moon is the 'Silverado' of Western romances. [She] has incorporated every wonderful scene from every memorable Western into one extraordinary novel. With the vivid prose, vibrant descriptions, a delightful cast of characters (including Billy the Kid), fast-paced action and a strong story (to say nothing of the wonderful romance), readers will be spellbound. Ms Canham demonstrates the rare ability to breathe life into characters and situations in every historical era and setting. Yippee!!"
