Von Adrienne Frances : Under the Orange Moon (The Mathews Family Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Under the Orange Moon (The Mathews Family Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schöne Geschichte! Von Moppy Dieses Buch hat mir sehr gut gefallen, weil die Idee mal ein wenig anders aufgearbeitet wird,

und natürlich wird die Romantik nicht vergessen. Ich empfand die Protagonisten alle sehr angenehm und liebevoll dargestellt. Für dieses Genre ist dieses Buch empfehlenswert.

Kurzbeschreibung Dylan Mathews grew up invisible, lost in the shuffle behind four overbearing brothers. It was common knowledge: no one would ever be good enough for the Mathews boys' baby sister. But there was always one... Dylan knew she loved Ben McKenna from the first time she laid eyes on him. He always needed her in the night, but under the light of day and her brothers' watchful stares, she was nothing to him. And just when she hoped there might be something more between them, he left for college and never came back. Until now. Returning home after 5 years, Ben sees Dylan has always been the one for him. Can he win her heart and finally find love under the orange moon? **A note to you, my favorite readers** Ben and Dylan's story is the first book in the Mathews Family series and can be read as a standalone. I hope you grow to love this family as much as I have. Thank
