Von Reginald Hill : Under World (Dalziel Pascoe, Book 10) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Under World (Dalziel Pascoe, Book 10):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Brilliant wie gewohnt Von Betula1969 Wie schade, dass etliche deutsche Ausgaben von Hill nicht mehr erhältlich sind! Gerade in diesem Band meistert er die Darstellung der oft gegensätzlichen Ansichten von Ellie Pascoe einerseits und den Vertretern des Gesetzes (Peter Pascoe und Andy Dalziel) andererseits ganz hervorragend. Das Verhältnis zwischen den

Eheleuten wird hier auf eine harte Probe gestellt, während Handlung und Spannungskurve auch unter Tage (und darüber) den hohen Ansprüchen der Hill-Fans gerecht werden. Das Buch sollte unbedingt gelesen werden, will man in den folgenden Bänden verstehen, wie Peter Pascoe "tickt" und warum.

Kurzbeschreibung Hill is an instinctive and complete novelist who is blessed with a spontaneous storytelling gift. Frances Fyfield, Mail on Sunday. Years ago, young Tracey Pedley disappeared in the woods around Burrthorpe. The close-knit mining village had its own ideas about what happened, but the police pinned it on a known child-killer who subsequently committed suicide. Now Burrthorpe comes to police attention again. A man's body is discovered down a mine shaft and it's clear he has been murdered. Dalziel and Pascoe's investigation takes them to the heart of a frightened and hostile community. But could the key to the present-day investigation lie in the past when little Tracey vanished into thin air?

Pressestimmen`Few writers in the genre today have Hill's gifts: formidable intelligence, quick humour, compassion and a prose style that blends elegance and grace' Donna Leon, Sunday Times`The fertility of Hill's imagination, the range of his power, the sheer quality of his literary style never cease to delight' Val McDermid, Sunday Express`He is probably the best living male crime writer in the English-speaking world' Andrew Taylor, Independent`Reginald Hill's novels are really dances to the music of time, his heroes and villains interconnecting, their stories entwining' Ian Rankin, Scotland on Sunday
