book NOW! Von Ein Kunde This is the best Black Lace book I've ever read. The plot is captivating; just when you congratulate yourself on solving the mystery you realize that you can't be certain of your answer. One twist after another leaves you wondering if Anna will ever escape from Galloway's clutches. Or if she'll even want to! The erotic scenes in this book are sumptuous, they alone are worth five stars. Coupled with a brilliant plot this book is worth any price.
