Von Jettie Woodruff : Underestimated Too (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Underestimated Too (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Nicht zu unterschätzen.... Von WuukieEine tolle Fortsetzung.Jettie ist mal wieder ein tolles Buch gelungen. Man erfährt durch die

Sitzungen bei einer Psychologin Drews Sicht der Dinge ohne langweilige Wiederholungen aus dem ersten Buch.

Kurzbeschreibung Money is not the most important thing in the world; love is - so they say anyway. Fortunately, Drew loves money. He wasnt capable of loving anything else. The more money he made, the more he needed to make. Always chasing a deal, that was the most important thing in the world to him. You rode Morgans side of the tracks. Now ride Drews. You know the things she went through, things nobody should go through. Is Drew sorry for his part in that? Probably not. Hes not sure things would have turned out the way they did had he been the cute little husband the critics expected him to be. He did do things that hurt her and regretted a lot of his choices, but he tortured himself, wanting to do them still. You think you know Drew? You dont know squat. You know what his wife has told you. She couldnt tell you more than that, she doesnt know that part of Drew. You want a sappy clich romance? Move on, this isnt the story for you. You want all the gruesome details? Stick around, and then you can judge Drew.
