Von Ella Stone : Underworld Champions (MC Outlaw series Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Underworld Champions (MC Outlaw series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Underworld Champion Von MicWell, this book was ok but had a lot more potential. Even with the lots of harsh, ugly

words and ways ...with a little bit more depth and how the situation between Cole and Maddie developed, would help a lot. The whole thing with her and his past is just too foggy and at some points because of the superficial writing, you get more the impression of a poor whore than of a victim with a tragical past. Like I said...potential, but otherwise just ok.

Kurzbeschreibung***CONTENT WARNING*** This book is NOT suitable for under 18s. It contains graphic sex, violence and, drug use. Please do not read if you are easily offended. Maddie never asked for the life she was given. She simply played the hand she was dealt. So when her sorry excuse for a father suddenly dies, she wants nothing more than to leave her old life behind. But, with no money to back her, her options are very limited. Her only option is to go to the one person who should have been taking care of her all along - her mother. She's married to the president of the MC Outlaws. That's a motorcycle club. Maddie's never really been into that shit, but she doesn't have a choice. And surprisingly, she's going to come to rely on the Outlaws more than she ever expected. Cole isn't the type of guy a girl should fall for. He's rough. He's demanding, and controlling, and he doesn't take no for an answer. But, Maddie finds she can't help herself. He's the club's VP, and so goddamned hot, he'd melt the panties off a nun. She knows she should get some money under her belt and run. The past has an uncanny ability to always catch up with you. But something keeps her running to that sexy biker, Cole. But Cole has a past as well, and when both of their pasts collide, nothing short of a catastrophe ensues. Can these two tortured souls find a way to heal each other. Will Cole be her Champion?***Sidenote - allegations have been handled appropriately between all relevant parties involved. Thank you to the majority of readers who messaged to show their support -xxx-Kurzbeschreibung***CONTENT WARNING*** This book is NOT suitable for under 18s.
